

## EUROPE ECONOMIC CRISIS DARKENS

FARM INCOME  
GREATER THAN  
EVER BEFOREEARNINGS FOR 1947  
MAY BE HIGHEST  
IN HISTORY

Washington, Sept. 3 (AP)—The agriculture department reported tonight that the American farmer is taking in more money than ever before.

Some officials who worked on the report told a reporter that trends so far in 1947 indicate the year may bring the highest annual earnings in history as well, despite mounting production costs.

The department, in a survey prepared by its bureau of agricultural economics, estimated total farm cash receipts during the first eight months of 1947 at \$17,400,000—a 21 per cent gain over the same period of 1946 a record year.

## Not Clear Gain

Between Jan. 1 and the end of August, the report showed, agriculture as an industry had a greater gross income than in any corresponding period in history.

But the higher income is not all clear gain for the farmer, the report added. His operating costs are continuing to increase. In 1946, the expenses of operating farm went up nine per cent. No estimate was made for 1947 expenses.

"The average farm operator realized a net income of \$2,541 from agriculture and government payments in 1946," after the payment of taxes and other expenses, the report said. This was 19 per cent more than in 1945.

The farm payments program expired June 30 this year.

Farmer income skyrocketed this year because of continuing unprecedented demands for his products, the report showed.

The American consumer, for instance, is eating more meat per capita than he has since 1911. He, too, has more money.

Most of the farmers' income gain, the report observed, could be attributed to an increase of 24 per cent in prices.

## More Meat Demanded

One authority on livestock described the situation this way: consumers, with more money than ever before, are demanding more meat. This has kept meat prices up.

Consequently livestock products—which include meat, meat products, dairy and poultry—ac-

Truman Eludes His  
Guards, Hunts For  
Orchids Near Rio

Rio de Janeiro, Brazil, Sept. 3 (AP)—President Truman eluded his guards for a while today and hunted orchids on Corcovado mountain, but he brought no blooms back for Mrs. Truman or daughter, Margaret.

Mr. Truman and Brig. Gen. Wallace Graham, the president's physician, did return with some plants as the result of a walk after breakfast up the mountain just back of the U. S. embassy.

They climbed more than 1,000 feet to the base of the cliff on which the famed statue of Christ overlooks the Brazilian capital.

Two secret service men trailed the pair on the walk, and the guards had some uneasy minutes when Mr. Truman and Gen. Graham got out of sight in a wooded area.

## Weather

Reported by U. S. Weather Bureau

ESCANABA AND VICINITY: Partly cloudy and cooler over the west and with scattered showers or thundershowers, winds east to northeast 15 to 18 MPH. Friday partly cloudy and somewhat cooler, winds variable becoming southerly 10 MPH. High 76, low 56.

UPPER MICHIGAN: Partly cloudy Thursday, with local showers or thundershowers in north-west portion. Cooler in west portion late Thursday.

State Liquor  
Control Rules  
Get Check-up

Lansing, Sept. 3 (AP)—The legislative rules committee today continued its scrutiny of liquor control commission rules until Sept. 17 after a full day's session with the three members of the commission.

Committee Chairman Colin Smith, Big Rapids Republican, announced complainants against commission rules would be heard at the second hearing. Any action the committee which is empowered to suspend rules, may take, he said, would be delayed until after the meeting.

Invitations would be sent, he said, to licensee, temperance, wholesaler and brewer groups as well as the general public.

In today's session, the commission, with Chairman Owen J. Cleary as principal spokesman, answered questions pertaining to rules filed at them by committee members.

Rep. Harry J. Phillips, Port Huron Republican, sought an explanation of the commission's policy against issuing new package dealer licenses to establishments also maintaining gasoline pumps. He added that many such places held licenses at the present.

Cleary declared that the policy was established some years ago in the interests of keeping liquor away from automobile drivers. The establishments holding licenses, he said, were issued them before the policy went into effect. He revealed, also, that the policy was under question by the present commission and that a meeting to discuss it was planned for Sept. 16.

All interested parties, including police and traffic safety authorities, were to be invited to discuss the possibility of junking the policy, making it apply uniformly to all licensees or continuing the present practice.

Cleary adroitly sidestepped Smith's invitation to present the commission's opinion of closing taverns at midnight.

"The present 2 o'clock closing is a legislative act," said Cleary, "and we have no power to change the act. The question is one for the legislature to decide."

A bill to that effect was introduced in the House in this year's session but died in committee.

JAPAN TO LOSE  
WAR POTENTIALFactories For Combat  
Equipment Ordered  
Destroyed

Washington, Sept. 3 (AP)—The far eastern commission announced today it has given General Douglas MacArthur a directive for wiping out Japan's combat equipment factories and otherwise reducing her war potential.

Many plants will be marked for reparations under the policy, the final scope of which cannot be determined until the conquered country's future level of industrial capacity is decided.

The 11-nation group spent months arguing out its basic principles for "reduction of Japanese war potential."

It reached a decision August 14 and later sent its directive to MacArthur.

It covers three main policy points: 1. All plants and machinery useful only for combat equipment manufacture should be destroyed. 2. All others used in supporting war should be made available for reparations insofar as they exceed Japan's peaceful needs.

3. During occupation, MacArthur should prohibit reestablishment of primary war industries, and should limit those of war supporting nature to capacities corresponding to Japan's industrial level.

President's Plane  
Sets Fast Time In  
Return From Rio

Washington, Sept. 3 (AP)—Lt. Col. Henry Myers, pilot of the presidential plane, the "Independence," brought Secretary of State Marshall and his party back from the Rio de Janeiro conference in what he believes is record-breaking time for any type of plane on the route.

Tired, but beaming, the Tifton, Ga., pilot set the four-motored "Flying White House" down at the air transport command field and reported he had made the 5,300 mile trip in 16½ hours flying time. He took the DC-6 off last night in Brazil at 9 p. m. (CDT) and made one stop at Trinidad.

ATC officers figured he averaged about 316 miles an hour. The "Independence" is the successor to the DC-4 first used by President Roosevelt and then by President Truman, and dubbed the "Sacred Cow."

PALESTINE: PIECES—Here is the proposed UN partition of Palestine, which pleases neither Jews nor Arabs. The two three-part states would have two points of intersection as indicated on map. Jerusalem would become a UN trusteeship.

WEATHER STAYS  
HOT FOR TODAYCool Air And Scattered  
Showers Predicted  
For Friday

(By The Associated Press)

Hot, midsummer temperatures prevailed over middle America Wednesday from the Dakotas to Texas, and federal forecasters predicted no relief for the region before Friday.

New England and most of the east, cool Wednesday, were due for some warm weather Thursday.

Hot weather prevailed in the southern states and reached the West Coast Wednesday, with temperatures of over 100 degrees recorded at many southwestern localities.

The Friday relief promised the plains states, forecasters said, would come from a mass of cool air pouring over the Rocky Mountains in the Montana region and due to spread out over the Middle West.

Illinois and Indiana may expect scattered thundershowers by Thursday night, or even in the afternoon, the weather bureau said.

Thundershowers were forecast for northern Iowa, Minnesota and possibly northwestern Illinois by Wednesday night.

In Leon, Ia., Wednesday, a freak storm of hurricane proportions severely damaged a department store and school house and caused extensive minor damage throughout the town of 2,400 persons.

Thunderstorms were forecast for northern Iowa, Minnesota and possibly northwestern Illinois by Wednesday night.

ATOMIC OVENS  
TO AID WORLD  
CANCER FIGHTTRACER ELEMENTS  
OFFERED ABROAD  
BY PRESIDENT

BY ALTON BLAKESLEE  
Associated Press Science  
Reporter

St. Louis, Sept. 3 (AP)—President Truman, launching a new policy, tonight offered all foreign nations limited amounts of 20 radioactive tracer elements from U. S. atomic ovens to speed international war against diseases.

This first sharing of peacetime fruits of the atomic bomb project was announced in a telegram to the fourth International Cancer Research Congress, Dr. E. V. Cowdry, Congress president, declared it would constitute "a decisive step in the world's effort to wipe out cancer."

No Secrets In Danger

Foreign delegates here greeted the announcement enthusiastically.

No atomic bomb secrets will be endangered, and none of the tracers offered for sale are "applicable to the development of atomic energy for military or industrial purposes," a simultaneous statement by the atomic energy commission said.

Plutonium and U-235—the explosives of atom bombs—and some other heavy radioactive materials are not included in the offer.

All findings by foreign researchers would have to be reported freely and openly to benefit all nations, as is required of American users also. Further, the atomic energy commission would require that foreigners using the radioactive materials make progress reports every six months to the commission, and open their laboratories to qualified scientific visitors from any other nations.

Dr. Cowdry, research director of the Barnard Free Skin and Cancer hospital here, said the step "will give hope and courage to millions of people throughout the world who live in fear of cancer," and "is cause to give every American added pride in his government."

The advantage is likely to be ours rather than theirs if some foreign researchers discover the cause or cure of cancer," declared Dr. Robert S. Stone, professor of radiology at the University of California, who worked on the wartime project.

He said Russia might be one of the first nations to ask for the tracers, adding Russians were doing good medical research and reported it openly. Russia was invited to this Congress, but no Soviet delegates have come.

Output Cheaper Now

The radioactive forms of elements offered are antimony, argon, arsenic, bromine, calcium, carbon, chlorine, cobalt, copper, gold, iodine, iron, mercury, phosphorus, potassium, silver, strontium, sulphur, sodium, and zinc.

Their principal fields of use, the

Bride-To-Be Slain;  
Rejected Suitor Is  
Suicide In Detroit

Detroit, Sept. 4 (AP)—The romance of 47-year-old bride-to-be ended in tragedy today when she died of gunshot wounds inflicted Tuesday night by a rejected suitor who then committed suicide.

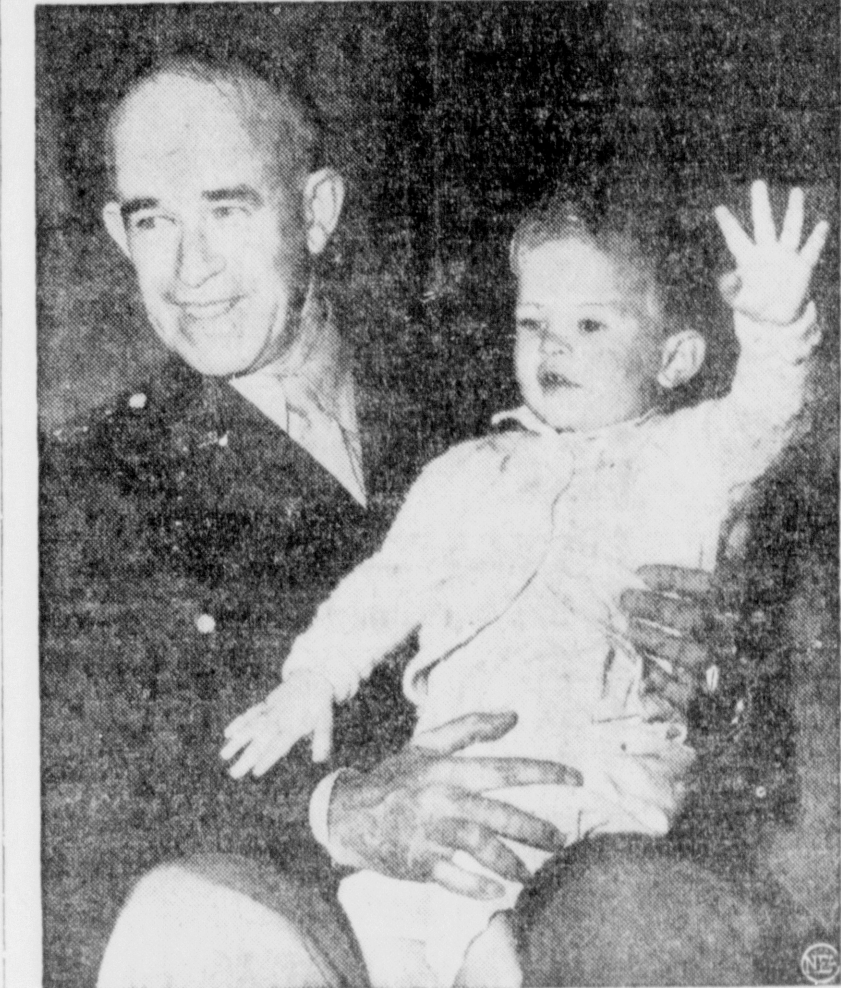

Police Lieutenant Joseph Gaca listed the case as murder-suicide and identified the principals as Mrs. Mary Dorsey, 47, and Arthur N. Badger, 47.

According to police versions of the shooting, Mrs. Dorsey received an engagement ring Saturday from Clifford Collins, 51, a roomer at her home.

The engaged couple returned to the house last night to find Badger sitting on the porch. Collins went into the house and told police that a couple of minutes later there were two shots and Mrs. Dorsey staggered into the room.

Police, summoned by neighbors, arrived while Badger still had the gun in his hand. When they ran Collins toward him to disarm him, the disgruntled suitor fired a fatal bullet into his own chest.

Mrs. Dorsey, who had planned to go shopping for a trousseau about the time of the shooting, died in Wayne County General hospital several hours later.

GRANDDADDY BRADLEY—Gen. Omar Bradley, Veterans' Administration chief, strikes the familiar grandson-on-knee pose during visit to Berlin, where his son-in-law is stationed. It was the first time in a year that Bradley had seen 15-month-old Henry Beukema, Jr.

Nurse Admits Chicago  
Kidnaping Hoax; Story  
Framed To Get Reward

Chicago, Sept. 3 (AP)—Police Chief Rex R. Andrews of suburban Highland Park said a 26-year-old nurse stated today that her report of being choked and beaten in preventing a kidnaping of her infant charge Aug. 25 was a hoax.

He said the nurse, Mrs. Elsie Margrethe Gerald, in an oral statement said she made up the story, the police chief said, in the hope of getting a reward from the baby's family. He quoted her as saying: "If someone had saved my baby from kidnaping, I would have given a reward of \$200."

Police who answered a barely audible telephone call from the residence of Mr. and Mrs. James H. Moses early on the morning of Aug. 25 found Mrs. Gerald semi-conscious on a bedroom floor, the upper part of her two-piece play suit knotted around her neck.

The Moses and one daughter were enroute home by train from a vacation in Charlevoix, Mich., and Mrs. Gerald had been hired to care for their three-months-old daughter, Laurie Ann.

Police said they found the baby unharmed in a downstairs chair and that Mrs. Gerald told them she had found Laurie Ann missing from the nursery, that a man grabbed her, hit her and knotted the brassiere of her play suit about her neck. Police said there were bruises on her head and jaw.

Andrews said today that he had questioned parts of her story and decided to question her further today under a lie detector. She had been under treatment at Lutheran Deaconess hospital since Aug. 25.

Andrews said Mrs. Gerald said she had had a hard time making ends meet since the death of her husband a year ago. She has two children, 6 and 2 years old.

Police did not detain the nurse after she had given her story. Andrews said she would not be charged. He took her to her mother's home after hearing her story.

Quito, Ecuador, Sept. 3 (AP)—A victorious counter-revolutionary government seated itself firmly in power in Ecuador today after a turbulent 10 days in which two chiefs of state were forcibly ousted from office.

The government of Dr. Mariano Suarez Veintimilla made it plain the door was closed to the return of President Jose Maria Velasco Ibarra, who was forced out 10 days ago by Col. Carlos Mancheno. Suarez led the forces which overthrew Mancheno yesterday in a counter-revolution.

(Velasco Ibarra, en route by plane to Ecuador, arrived late today in Santiago, Chile, from Argentina where he had fled into exile.

A dispatch from Santiago quoted Carlos Guervera Moreno, Ecuadorian ambassador to Chile, as saying that Velasco Ibarra was still the "legal president" since he had been ousted by force. The ambassador said Velasco Ibarra had telegrams from the garrison at Guayaquil, the most important army unit in Ecuador, urging him to resume his post as "legal president."

With calm prevailing throughout the country, the council of state met in Quito and passed a resolution asserting that Velasco Ibarra had "abandoned his post" as president and by that act "definitely terminated" his functions as chief of state.

The resolution added that therefore Suarez, who was vice president under Velasco Ibarra, was the legal president.

Specialized Courses  
Offered Graduates  
Who Join The Army

Washington, Sept. 3 (AP)—High school graduates who decide to join the army will be given the opportunity, before enlisting, of choosing the technical training they wish.

The plan goes into effect Sept. 15, the war department announced tonight. It said a similar program already in operation in the air corps is attracting more than 1,000 young men a month.

Judges Trim List  
Of Candidates For  
Miss America, 1947

Atlantic City, N. J., Sept. 3 (AP)—Fifty-four girls seeking the title "Miss America, 1947," were to put their beauty and brains on display tonight in the first of three preliminary contests.

The girls from 39 states, 14 cities and Canada were divided into equal groups of 18 to be judged in bathing suits, in evening gowns and in an exhibition of talent.

The eliminations will trim to 15 girls the number of semi-finalists to appear on the convention hall stage Saturday night. The judges were to reduce to five the number of finalists and from them select a "Miss America."

Escanaba Soon  
To Be Airlines  
Regular Stop

Detroit, Sept. 3 (AP)—Nationwide Airlines will make Escanaba a regular stop on its Detroit-Houghton route as soon as airport runways are extended there to accommodate DC-3 planes.

This assurance was given the Escanaba delegation on the Nationwide Airlines good will trip here today.

Mayor Marvin L. Coon of Escanaba, member of the good will tour party, informed Irving Stahl, secretary-treasurer of the airline, that work on the Escanaba airport is now in progress and the lengthening of the runways to 3,000 feet should be achieved within two weeks.

Nationwide Airlines now provides daily round trip service from Detroit to the Copper Country with the DC-3 making stops enroute at Lansing, Menominee and Houghton. A smaller Lockheed plane serves from Mountain View because of the inability of the DC-3 to land at the Ford airport there.

United States aid to bolster stricken countries, he said, apparently will be needed before the end of 1947.

Without saying so directly, Lovett threw out a strong hint that a special session of Congress may be required this fall to cope with the emergency.

Envious of U. S. Gold

Effects of the British dollar shortage have been very contagious, he said. Moreover, many European countries, hard hit by floods and droughts, have had to divert their resources from productive uses to non-productive uses such as the purchase of food.

Lovett's disclosure of a rapidly deteriorating situation abroad came within a few hours after British Foreign Minister Ernest Bevin proposed that the United States should "redistribute the Fort Knox gold" as a move to jack up international purchasing power and eliminate "these constant recurring crises."

Lovett withheld comment on Bevin's suggestion, although he said that both the state and treasury departments have been studying the possibility—as one phase of the Marshall plan—of creating a "dollar pool" for Europe. The main purpose, he said, would be to stabilize European currencies with hard American dollars.

For Sale Sign Out

Bevin did not elaborate on his "Fort Knox gold" proposal, nor explain how it would work out, but the idea drew scant support here. A top-rung U. S. treasury official, who withheld use of his name, told reporters:

"If other countries want our gold, they can have it the same way we got it from them—by laying the money on the line at our price of \$35 an ounce. The 'For Sale' sign is still on it."

Another official commented: "Boiled down to man-to-man terms, Bevin's proposition seems to amount to saying, 'give me back the gold I've sold you so I can sell it to you again.'"

Lovett's emphasis on the mounting crisis, one of the grimmest pictures yet painted by the state department, drew calls for a special session of Congress from some senators and representatives. Some others thought such a session unnecessary.

Legislators Willing

Senator Hatch (D-NM) noting that the lawmakers are not scheduled to return until next Jan. 5, told reporters:

"Congress should be in session to meet any crisis whenever and wherever it arises. If we were in session now, we might be of some help in heading it off."

Rep. Melvin Price (D-Ill.) said Congress should return this fall "if the situation continues grave."

"If we are to give any effective help to Europe, it must be done in time," Price said. "It will

# CITY COUNCIL MEETS TONIGHT

## Noise Control Ordinance Will Be Heard For First Time

The City Council of Escanaba is meeting tonight in council chambers to take action on a 16-point business agenda. The new milk ordinance, zoning reports, fire department report and a first reading of the proposed ordinance to govern loud speakers and noises in the city are slated for tonight's session.

Complete business is as follows: Hearing of objections to extension of sanitary sewers to Blocks 41 and 42, I. S. Company Addition, and old sewage plant block. Drawings and estimates of cost of construction of sanitary sewer to Art Goula's Addition.

Consideration of aiding Solar Furniture Company with sprinkler system.

Reconsideration of new milk ordinance.

First reading of ordinance to regulate loud speakers and other noises on public streets.

Bids for sale of city lots.

Consideration of Fire Department report.

Setting of date for end of Daylight Savings Time.

Consideration of hiring consultants to make a report on water situation.

Engineer's report on steam plant.

Extension of tax payment date.

Request of Pat Gagnon for S. D. M. license.

Consideration of Civil Service meetings of August 5th and 6th.

Consideration of building permit to enclose porch for Mr. Graves, 200 Block N. 19th St.

Report on zoning experts.

## Two New Sail Craft Join Escanaba Fleet

The arrival in Escanaba harbor yesterday morning of the "America", a 40-foot ketch with a raised deck and living accommodations for five or six, which was purchased in Cleveland. The "Wind-song" is of the weekend class that is highly popular as a racing-cruising type on the East Coast.

Another recent addition to the local fleet is Al Starr's 35-foot auxiliary sloop "Windsong" purchased in Cleveland. The "Windsong" is of the weekend class that is highly popular as a racing-cruising type on the East Coast.

Mussels frequently kill birds by fastening themselves to their feet. A bird thus caught can neither walk nor fly.

## Briefly Told

**Loses License**—George Martin, charged with driving while drunk, plead guilty in justice court Wednesday and was assessed a fine of \$50 and court costs of \$11.85. Martin hit the Breitenbach truck which was parked in front of the Breitenbach store on Sheridan road. His operator's license has been revoked.

**Bike Stolen**—Mary Couillard, 328 North 12th street, reported to city police that her bicycle, a blue roadmaster, was stolen from the 300 Block of South 10th street. The girl's bicycle is licensed 269.

**Boat Damaged**—A boat of Martin Peterson reportedly had a distributor damaged and fuel pump stolen Tuesday night while it was in the harbor.

**Case Dismissed**—The case of Frank Newhouse, charged with reckless driving on Ludington street, Aug. 23rd, has been dismissed from justice court.

**Fined On Gun Charge**—Paul Stack of Gladstone Wednesday pleaded guilty in Justice Henry Ranguette's court to a charge of carrying a .22 rifle in a game area between the hours of sunrise and sunset and paid a fine of \$25 and \$9.50 costs. He was arrested by conservation officers Sept. 2 on the Stenington peninsula.

**Apply For License**—Application for a marriage license has been

# AIRLINE READY FOR STOP HERE

## Runway Project Will Be Completed In About Three Weeks

The Nationwide Airline, which inaugurated commercial air service this summer between Detroit and the Upper Peninsula of Michigan, will make daily stops at Escanaba as soon as the extension of the east-west runway here is completed, local officials who are guests of Nationwide Airlines at the Michigan State Fair were advised yesterday.

City Manager A. V. Aronson reported yesterday that the runway extension project, which has been delayed by the press of other city projects, will be completed in three weeks. The airline company will start service here with a DC-3, having rejected an earlier plan to run an Electra into Escanaba on

made at the office of the county clerk by Richard Henry Couchene of Gladstone Rt. 1 and Doreen Goertzen of Escanaba Rt. 1.

# Gold And Copper In Alloys For Solder

Gold and copper are alloyed to make a special-purpose solder by Dr. Richard B. Nelson, a General Electric Company research physicist. Preferred proportions are 37-5 per cent gold, 62.5 per cent copper. The solder is used on such difficult metals as copper and iron-nickel-cobalt alloys. Also, because its expansion characteristics are close to those of glass, it is well suited for making high-vacuum seals between glass and metals. Patent 2,427,467 has been granted on Mr. Nelson's solder.

# Highlights In Week For Patent Office

A few outstanding inventions among the 423 on which patents have been issued this week:

A Swedish inventor, S. P. O. Sundgren of Lidings, has received patent 2,426,324 on a quick-acting safety gate to prevent the ignition of motion-picture film in projector stoppages. The instant the film stops, it is thrown off the sprocket, and the increasing size of the free loop causes the safety device to act.

To K. W. Couse of Newark has been awarded patent 2,426,342, on means for practically instantaneously changing a wheel-driven truck to a track-laying vehicle. Tandem-mounted in front of the rear twin wheels is a smaller pair,

# Highlights In Week For Patent Office

A few outstanding inventions among the 423 on which patents have been issued this week:

A Swedish inventor, S. P. O. Sundgren of Lidings, has received patent 2,426,324 on a quick-acting safety gate to prevent the ignition of motion-picture film in projector stoppages. The instant the film stops, it is thrown off the sprocket, and the increasing size of the free loop causes the safety device to act.

To K. W. Couse of Newark has been awarded patent 2,426,342, on means for practically instantaneously changing a wheel-driven truck to a track-laying vehicle. Tandem-mounted in front of the rear twin wheels is a smaller pair,

with a tough, strong belt running around both pairs. On good roads and hard ground only the rear pair is used, but when the truck hits softer going, the driver operates a hydraulic cylinder to lower the forward pair to ground level. Then all four tires, plus belt, work together to hold up the load and give traction.

A device that warns the driver of a motor vehicle when one of his tires is dangerously deflated is covered by patent 2,426,360, awarded G. L. Larson of La Grande, Ore. When one wheel goes down because of tire deflation, its opposite partner, left relatively higher, pushes an electric warning button by means of a suitable arrangement of levers.

Veterans of the Army Engineers and the Seabees who have got themselves farms will lick their chops over the handy machine on which B. F. Owen of Omaha has received patent 2,426,410. It is a

combination small bulldozer, scraper for dirt roads and snow-plow.

Quick-freezing of fruit and vegetable juices is made a continuous instead of a batch process in the apparatus on which patent 2,426,368 was granted to W. W. Mayne and K. A. Murphy of Pasadena. It consists of a motor-driven Archimedes screw with a refrigerating jacket around the tube. Juice fed into the lower end is frozen by the time it reaches

the top, and can be immediately packed into cartons.

Gibraltar, with an area of two square miles and a population of 19,278, is the smallest of Great Britain's crown colonies.

The Koran, sacred book of the Moslems requires them to pray five times daily at fixed times.

Senior students of Essex, England, are supplied with free bicycles if they live far from school.

## U. P. HIGHWAY BIDS OPENED

### State Receives Proposals For Four Projects Above Straits

Bids for four highway improvement projects in the Upper Peninsula were opened yesterday by the state highway department at its branch office in Escanaba. The bids were forwarded to Lansing for final determination and the awarding of contracts.

The projects, bidders and bids were as follows:

Construction of 3.624 miles of grading and drainage structures on US-2 relocation from the junction with US-2 near the south limits of Watersmeet southerly to US-45 in Gogebic county; Bidders—

I. L. Whitehead Co., Sault Ste. Marie, \$261,500.22; Thornton Construction Co., Hancock, \$286,149.03; A. H. Proksch, Iron River, \$312,894.09; A. Lindberg & Sons, Ishpeming, \$324,966.34; Straits Construction Co., St. Ignace, \$345,511.65; Bacco Construction Co., Iron Mountain, \$350,481.33; Fox Valley Construction Co., Appleton, \$352,305.10; Paul Miller, Grand Rapids, \$391,047.88.

In Ontonagon county the construction of 4.926 miles of bituminous aggregate surfacing on US-45 from Bruce's Crossing south; Bidders—

Thornton Construction Co., Hancock, \$44,815.40; Payne & Dolan, Milwaukee, \$47,844.60; Fox Valley Construction Co., Appleton, \$56,246.00.

In Schoolcraft county the construction of nearly one mile of

grading and drainage structures and aggregate surface on M-94 starting three miles south of Shingleton; Bidders—

C. G. Bridges, Escanaba, \$30,475.90; Alpine Construction Co., St. Ignace, \$31,258.98; I. L. Whitehead Co., Sault Ste. Marie, \$33,775.23; Paul Miller, Grand Rapids, \$37,169.04; Straits Construction Co., St. Ignace, \$38,031.93; Bacco Construction Co., Iron Mountain, \$42,050.85; A. H. Proksch, Iron River, \$45,354.00; A. Lindberg & Sons, Ishpeming, \$50,684.50.

Construction of a bridge on county road crossing Otter Creek 1½ miles north of Pelkie in Baraga county; Bidders—

John K. Jackson, Ironwood, \$56,522.66; C. G. Bridges, Escanaba, \$57,237.26; A. H. Proksch, Iron River, \$60,902.02; Straits Construction Co., St. Ignace, \$73,596.13.

## Obituary

### MRS. ALICE ROBINSON

Last rites for Mrs. Alice Robinson will be held at 9 o'clock this morning at St. Patrick's church, with Rev. Fr. Martin B. Melican officiating. Burial will be in Holy Cross cemetery.

### WILLIAM MacELROY

The body of William MacElroy will lie in state at Allo funeral home Thursday evening and funeral services will be conducted from St. Patrick church Friday morning at nine o'clock with Rev. Fr. Sebastian Maier officiating.

## Nahma

### Church Services

St. Andrews Catholic Church, Week Day Mass at 7:30. Sept. 4—Holy Hour at 7:30. Sept. 5—First Friday. Sept. 6—Confessions in the evening. Sept. 7—Masses at 6:30 and 10:30.

### Bridge Party

Mrs. Martin Kousbaugh entertained two tables of bridge at her home last Thursday evening. The first and honor prizes were won by Mrs. William Hominger and Mrs. Herman Bramer won the second prize.

Those playing were, Mesdames Amos Ritter, William Hominger, Nels Plude, Herman Bramer, Ed Tobin, Martin Kousbaugh of Nahma, Mrs. Victor Malcolm of Detroit and Mrs. Eddie Lund of Elgin.

### Personals

Mrs. W. O. Strang of Menominee has been visiting at the James Roddy home.

Miss Jean Thibault arrived last week end from Milwaukee to

### Long Overdue

PUBLIC discussion is directing attention to Escanaba's antiquated city zoning ordinance. The city has grown and is growing. The future development of the city will depend on the amount of vision used in directing that growth.

The Escanaba Chamber of Commerce, at the request of the city council, appointed a committee to study the city zoning law and make recommendations for revision. This committee did and the recommendations have been received by the council. So far the council has failed to act on them.

The Chamber of Commerce committee's report recommended that a trained technician be employed to study the city's needs and prepare a city plan. It suggested certain "stop gap" revisions in the present zoning ordinance which would halt the more flagrant abuses permitted under the present ordinance until the long-range city planning study is completed.

One of the recommendations is that the city council appoint a board of appeals to hear complaints from persons who seek to by-pass the present zoning ordinance. The ordinance already provides for such a board of appeals and there was one in operation until the past few years. Now there is none because the council has failed to make new appointments and is itself acting as the board of appeals.

To have the council act as a legislative body, which is its function, and to sit as a board of appeals, which is a judicial function, is against the principles of good government. There is the danger that unwelcome changes and revisions in the zoning ordinance will result because of it. The council should name a board of appeals as soon as possible.

Escanaba is now in a period of rapid residential and industrial expansion. Delays in city planning and zoning can cause untold harm. The council should act now.

### Higher Traffic Toll

THE traffic toll in the United States over the Labor Day weekend included 293 dead at last count and when all of the returns are in, the toll probably will be well in excess of 300.

This was the highest traffic toll for any similar holiday period during 1947 and it is causing apprehension from the National Safety Council that the traffic accident rate will rise even faster in the final four months of the year.

The accident peak normally is reached in December, when ice and snow and Christmas holiday traffic materially increase driving hazards. Last Christmas the death toll on the nation's highways was 253, which was 40 less than the Labor Day weekend this year.

The National Safety Council rightfully asks, "What will Christmas, 1947, bring?"

### Still Inadequate

A GLARING inadequacy of Michigan's highway department setup, disassociated as it is from the state's administrative family, was revealed in Lansing this week when state officials, including Governor Sigler, confessed that they have been wholly in the dark on highway construction plans.

The problem has been at least partially solved by an agreement from Highway Commissioner Charles Ziegler to submit quarterly progress reports on current highway construction projects. In this manner state administrative officials will be advised at least every three months what is going on in highway improvements and such officials will be able to give more intelligent answers to questions regarding the highway program than they have been able to do in the past.

The state highway department has been operated independently of the governor's official family, even though the highway commissioner is a member of the state administrative board. The highway commissioner and the superintendent of public instruction are not elected at the same time as the governor and other state officers and their terms are for four years, rather than two years as are the terms of the governor, lieutenant governor and most other state officials.

The public, of course, is entitled to know what is going on in highway construction and it should know, also, the department's plans for future construction. The compromise agreement worked out by the highway commissioner and the administrative board, however, does not include provisions for publication of future plans but merely progress reports on current construction. To that extent the compromise agreement fails to wholly meet the highway department's responsibility to the people of Michigan.

### American Foreign Policy

PRESIDENT TRUMAN laid down the broad terms of American foreign policy in an address at the inter-American conference at Rio Tuesday. His address

## World Events Analyzed

BY MARQUIS CHILDS

Berlin—The most powerful instrument of Russian foreign policy is that part of the trade-union movement outside Russia which has come under Communist domination. It rates higher than the Communist parties, which in many instances have been discredited.

This is the considered judgment of those who are meeting at first hand the competition of Russia here on the Berlin battleground. Both within the framework of Germany and within the larger frame of western Europe, the leverage exerted through a Communist-dominated labor movement is great.

France is the cardinal example. The Communists control the French Confederation of Workers. They can threaten to paralyze French industry. The French government uses that threat to try to persuade the state department in Washington to hold up all plans for making the 40,000,000 Germans in the U. S.-British zones more nearly self-supporting.

—REDS CONTROL UNIONS—  
Forty million starving people are fair game for Communism. Breakdown and chaos are an invitation to totalitarianism of the Soviet variety. That is the logic of Communism in western Europe.

It has a parallel logic inside Germany. In some respects, in their zone in East Germany, the Russians have failed. They have failed to make mass converts to their Socialist Unity party. People with knowledge here say that, if a secret vote could be taken in the Soviet zone, perhaps as high as 80 per cent would vote against the Soviet party.

But in one line the Soviet rulers have succeeded. By the familiar techniques of infiltration, force and economic coercion, they have captured the trade unions. The order of control passes right up to the top.

The cry of the unions within the Soviet zone is for unity with the unions in the British and U. S. zones. That is a persuasive cry at this moment in Germany. It has a deep appeal to more and more Germans who are fearful that their country will be split permanently into two or three parts.

For that reason, trade-union heads in the American zone cannot say no. Most of them would like to. They are Social Democrats or Catholics and they foresee that unity would be likely to open the way to the same tactics of infiltration and force which allow the Communists to wield control in the Soviet zone.

What has happened is typical of so much that happens here—Delay. Trade-union leaders from the British-U. S. zones attended a conference with leaders from the Soviet zone. At that conference they proposed a committee to study the union plan and another significant proposal related to it.

This is where the international power angle comes in. The World Federation of Trade Unions met in Prague this summer. At that meeting the federation, dominated by Communist union leaders, voted to take in German unions which would represent all Germany.

—INTERESTING COINCIDENCE—  
Here is another persuasive appeal for the German people—an invitation to belong to an international body. A German leader who said no to such an invitation would find himself in an embarrassing spot.

The committee of German trade unionists named to study the invitation to unity and to membership in the world federation agreed to report just before the council of foreign ministers are due to meet in London. That is an interesting coincidence. If they report in favor of unity and membership in the federation, the Soviets will have won a minor engagement in the contest for Germany. And in the long run it could prove to be a major victory.

While the Soviet zone is for the most part a closed world, various competent witnesses have testified to Russian success in Sovietizing their part of Germany. After a tour of the zone, J. Emyl Williams of the Christian Science Monitor, one of the ablest correspondents in Germany, wrote that it "has been organized as far as conditions allow as if it were part of the Soviet Union." He noted "fundamental changes which will survive long after many of those introduced in the other zones."

The technique of organizing stooge unions and capturing those which have been relatively independent is one in which Moscow's agents excel. The Communist union is the spearhead of Communist domination in every other field. That is unmistakably clear from the perspective of the contest being waged in Europe.

believing that the name means "rose of the Virgin Mary"—Mrs. A. L. W.

Answer: That is the common supposition. However, the name is from rosemary, the flower, which is a corruption of the Latin rosmarinus, "dew of the sea." Rosmarinus entered Old French as rosmarin, which entered Middle English as rosmarine, changed to rosemary, and finally lost the final "n" to become, rosemary. However, the rosemary has long been an emblem of faithfulness. Shakespeare wrote: "There's rosemary, that's for remembrance." Rosemary makes a lovely name for a girl.

Los Angeles: Is it true that the word sadist derives from the name of a person?—C. K.

Answer: Yes, from the surname of Comte Donatien Alphonse Francois de Sade, better known as Marquis de Sade (1740-1814). He was a French soldier and novelist. He died in an asylum for the insane. Sade is pronounced: sad. A sadist originally was one who derived a perverted pleasure from the torture of a loved one. Nowadays the term means any person who loves cruelty for its own sake. Sadist is pronounced: SAD-ist. Sadism is: SAD-izm. Sadistic is: sa-DISS-tik.

## 'Well, You Wanted the Job, Didn't You?'

### Good Morning!

—By The Bugler

THE OLD ROUTINE—The summer vacation season is at an end, although there are always those who suffer from hayfever, boredom, and an excess of money who will linger on in Northern Michigan. But for the majority of the great Middle Class the vacation season is over. They return to desk, lathe, shop, office and factory carrying a sunburn and memories of pleasant days in the fresh air.

Dunathan

The old routine is upon them once more. Their risings, eatings and retrappings will begin to conform to a fall and winter schedule. Furnaces will be warmed up of a morning, coal supplies will become more than something to talk about, and the first frost will mark the beginning of that pleasant season known as Autumn.

THE HARD WAY—Down at the Straits of Mackinac over the weekend we saw a line of cars at St. Ignace nearly three miles long on US-2. The state ferry dock was full, the downtown traffic was in a snarl, and around the long hill and back westerly from the city stretched the line of waiting cars.

Inside those cars were hundreds of persons homeward bound after a vacation trip to the Upper Peninsula. It was the afternoon of Labor Day and drizzling rain. People poked their heads out of the car windows, looking up and down the line. Some of them stepped out and then back into the car after peering ahead to see if there was the prospect of getting on the state ferry soon. And up and down the line of waiting cars, went a man and woman carrying baskets of pop-corn, sandwiches, peanuts, etc.

For the vacationer who waits until Labor Day weekend to return home, the Straits crossing is a delaying and annoying experience.

ACCENT FOR SUMMER—A young woman on her way home after her summer vacation said to a traveling companion: "They had lots of games at the resort but not one young man. It's the kind of a place where you get shuffled-off."

IT'S STILL HERE—Most of the people who return to the cities on Labor Day do so from necessity. If there are children in the family they must go back to school. The men in the family (in the majority) must return to their jobs. So Labor Day has come to mark the end of the summer vacation season for Northern Michigan.

Yet the scenery, the fishing, the climate actually improves after Labor Day. Too bad more people cannot so arrange their vacation time to take advantage of it. They would find that after Labor Day the resorts are less crowded and accommodations are easier to find. Prices are slightly lower than they are at the peak of the summer trade.

Yes, the Upper Peninsula's attractions remain although the bulk of the tourists are gone. There is a month to six weeks of warm days and crisp nights ahead—ideal weather for those who want to enjoy an Autumn vacation.

Undoubtedly in the years ahead there will be a trend toward an extended vacation season. It is already apparent. Part of it is due

### INTO THE PAST

Ten Years Ago

Lansing—The State Highway Commissioner today said that the department would call for bids late this month for construction of a new streamlined ferry boat to improve automobile transportation facilities across the Straits of Mackinac.

Escanaba—Congressman John Luecke received word last night that the comptroller general had given final approval to the WPA project for completion of Ludington Park bathing beach and yacht basin.

Escanaba—All weather bureau records were broken here yesterday when the skies opened up for two hours and deluged the city with torrential rain, the like of which has not been experienced in 35 years.

Twenty Years Ago

New York—Amelia Bingham, one of the stars of the melodramatic stage, died today at her home on Riverside drive.

Mexico City—Particular attention to the relations of the United States and Mexico was paid to President Calles tonight in his annual message read at the opening session of Congress today.

Los Angeles—A threat of federal prosecution tonight faced Mrs. Amiee Semple McPherson for the alleged use by the evangelist and her followers of uniforms, resembling those of U. S. naval officers.

Organization of a Master Barber's association comprising all Escanaba barbers was completed here Wednesday night.

to the kind things said of the U. P. by hayfever sufferers who delay their return to the Middle West ragweed belt until late September. The "hayfever people" know the enjoyment of sparkling sunshine flooding a landscape of nature-painted Autumn leaves.

Fishermen know, of course, that after the August hot spell the fish bite better and that bass, perch and pike fishing improve in September.

FOR THE SPORTSMAN—

September's fishing is followed by October's hunting. Many sportsmen, if they had their way, would take their vacations in October and come to the Upper Peninsula for grouse, duck and rabbit shooting.

But there is always the call of deer hunting season just around the corner in November, and few hunters can come up for the grouse shooting, return to their homes, and then come back after their buck in November. So the skin that most pleasant small game season when the Upper Peninsula countryside it at its best.

THE NEXT RUSH—Deer hunting season will bring the next rush of visitors to the U. P.

They will come in cars and trucks and trailers, crossing the Straits of Mackinac with a rush prior to Nov. 15. Then at the end of the 15-day season they will go rushing home again. The state ferries at the Straits will transport the hunters as fast as possible, but still not fast enough, and the cars will line up along the highway and the St. Ignace people with their baskets of sandwiches will go up and down the line selling food that cannot otherwise be obtained without the motorist drowsing out of the line—perhaps missing a boat and delaying the trip still more.

Meanwhile there is September and October to enjoy and the Upper Peninsula will be in its "black season" so far as tourists go. And as the tourists go, the permanent residents of the U. P. will reclaim

## The Washington Merry-Go-Round

BY ROBERT S. ALLEN

(EDITOR'S NOTE—While Drew Pearson is on a brief vacation, the Washington Merry-Go-Round is being written by his old partner, Robert S. Allen.)

Washington—If certain inner army politicians have their way, able conscientious Gen. Omar Bradley will be sidetracked as General Eisenhower's successor and shunted off into a high-sounding but lesser job.

The secret plan is to make Bradley commanding general of a U. S. theater that would be created for this purpose. The theater would include the continental U. S. and be comparable to the Mediterranean and other foreign theaters. As theater commander, Bradley would be junior to the chief of staff, the post he really wants and is outstandingly fitted to hold.

However, by sidetracking Bradley, the army politicians would open the way to grab off the C/S prize. First choice on their list is tall, ambitious Gen. Mark Clark, commander in Italy during the war.

Bradley is now in Europe on a special inspection trip, on six weeks' leave from the veterans administration. He is Eisenhower's personal choice as his successor. At the time Eisenhower announced his plan to retire from the army in January to become president of Columbia University, he told newsmen he hoped Bradley would become chief of staff.

But the inner army politicians have other ideas. Bradley is too non-political minded to suit them. Under the new unification and promotion acts, there are numerous juicy plums to be grabbed off and they want a direct hand in the grabbing. They rightly fear there would be little or none of that under Bradley.

So, during his absence, there is much undercover scheming and wire-pulling to sidetrack Bradley. These antics are particularly interesting in view of the army's customary haughty disdain of politicians. Actually, inner army politics is as hectic, petty, and crass as any played outside the service.

—NO LUCK—

Before stepping out as national commander of the Veterans of Foreign Wars, Gen. Louis Starr called on President Truman. With Starr was Omar Ketchum, VFW legislative representative.

"Are you quitting, too?" asked the President.

"No; no such luck for you, Mr. President. I'll still be around to get in your hair."

"Yes," grinned the President. "I guess that's to be expected."

—TRAGIC PROBLEM—

Most tragic problem in the Indonesian fighting is the fate of the 700,000 Eurasians of Dutch and native ancestry.

Dutch settlers in the Archipelago have been intermarrying with native women since the 17th century. Their offspring, officially known as "Indo-Europeans," constitute a large and important population element. They are educated and before the war occupied important business and governmental posts.

During their occupation, the Japs created a schism between the Eurasians and natives. As a result, when the Japs were evicted, the natives threw the Eurasians into concentration camps. When the British landed, pending the arrival of Dutch forces, they liberated many of the Eurasians. But thousands of others, deep in the interior where the British could not penetrate, are still held as prisoners.

What the fate of the hapless Eurasians will be when the fighting ceases, is still anyone's guess. The natives hate them and the Dutch are in a difficult position to protect them.

MERRY-GO-ROUNDS—

A wheat farmer picked up in La Junta, Colo., on a traffic charge pulled out a roll of \$20,000 to pay his fine. When asked if that wasn't a lot of money to be carrying around, he replied casually, "Oh, I've got a lot more at home" . . . The famed new deal brain-trust team of Corcoran and Cohen may soon be revived as law partners. Able, modest Ben Cohen, who recently resigned as state department general counsel, may tie up with the law firm of his old partner, Tommy the Cork . . . It is very fitting that President Truman should participate in the 125th anniversary of Brazilian independence. The U. S. was the first country to give official recognition to Brazil—in 1823, during the administration of President James Monroe . . . The war department has ordered all retired regular army officers to be released by next July . . . Tex McCrary, noted war correspondent and radio commentator, is organizing a world-wide news service for radio and television outlets. Nucleus of the service will be a corps of correspondents and photographers stationed at strategic points throughout the globe . . . The Democratic National committee is planning to make songwriter Jack Lawrence's popular "Have a heart, Taft-Hartley, have a heart" one of its 1948 campaign tunes . . . The convention of the Missouri Farmers Association, claiming 117,000 members, adopted a resolution condemning the house probe of farm cooperatives and declaring war on "Congressional Enemies of the Farmers." . . . A survey by the U. S. Bureau of Labor Statistics in plants employing 88,600 handicapped workers disclosed that 51 per cent had better accident records than non-handicapped workers, 48 per cent had better-than-average absence records and 58 per cent stayed on their jobs longer.

Three 4,000 word bulletins for owners of household pets: Dogs, describing the points in different breeds of dogs and how to care for, feed and train them; Cats, a description of the various kinds of pet cats with instructions for their care; also Canaries, their care and management, now available. To obtain all three copies send this clipping with 10 cents to cover handling and mailing costs to Daily Press Service Bureau, 1217 13th street, N. W., Washington, 5, D. C. # GUARDS TO GET NEW UNIFORMS

Recruiting Campaign Will Get Underway September 16

Company C, Delta county National Guard unit, has been informed by Brig.-Gen. LeRoy Pearson, state adjutant general, that all members of the Michigan National Guard, including Upper Peninsula units, soon will receive the new style Eisenhower jacket uniform.

Information received this week indicates that Michigan guardsmen will receive 10,000 sets of the new uniform during September, which is sufficient to meet the Guards' needs during the current fiscal year.

One hundred and four units of the Michigan National Guard will initiate an extensive recruiting campaign Tuesday, Sept. 16, which has been designated as National Guard day by President Truman. The day marks the seventh anniversary of the entrance of National Guardsmen into World War II service.

Michigan's quota is 3,230 new recruits during a 61-day recruiting drive. Company C's membership now is 82, more than any other unit in Upper Michigan. Likewise, the 107th Engineer Battalion, U. P. unit, leads all separate battalions in Michigan.

The enlisted man who recruits more Guardsmen than any other member will be outfitted in the new Eisenhower uniform to join

Big 21-Oz. Can Serves 4

A Quick, Delicious ONE-DISH Meal

winners in other states and territories for a free, four-day tour of Washington, D. C., and attendance at the Army-Navy football game in Philadelphia in November.

The Delta county unit meets each Wednesday evening at 7:30 at the State Fairgrounds Armory. All men in this area within easy driving distance of the Armory, to facilitate attendance at drill once a week, are invited to join Company C.

**Officer Openings**

In addition to openings for enlisted men, for which there are several high ratings, Capt. Roy Johnson, commander, announced yesterday that the services of two officers, first or second lieutenants, are urgently needed.

Men with previous commissioned service or men with previous extended service in the rank of staff, technical or master sergeant interested in applying for a commission in the National Guard of the United States are asked to see Maj. James G. Ward, jr., 107th executive officer, or Captain Johnson.

In a number of religions, the dead are anointed with holy oil to guard them against the vampires of ghoul which threaten to take possession of and live in these bodies.

## St. Nicholas

St. Nicholas, Mich.—Mr. and Mrs. Joseph Serbiak and Bobby and Tommy and Mrs. George White and daughter, Marie Christine returned to Milwaukee after spending Labor Day week end with Remi Vandebussche and with Mr. and Mrs. George Vandebussche.

Mrs. White and daughter also visited in Kipling at the home of Mr. and Mrs. Walfred Lindberg. Mr. and Mrs. Joseph Heirman are the parents of a son, James Joseph born Aug. 17 at Manistique. This is the third child in the family and is the first son.

Mr. Heirman, a former St. Nicholas resident, and is Delta county agricultural agent. Miss Celeste Lachapelle of Milwaukee spent the week end visiting at the home of her parents, Mr. and Mrs. Henry Lachapelle.

Mr. and Mrs. Casper Utt of Chicago spent the past week visiting at the home of Mr. and Mrs. Louie Heynness.

Mr. and Mrs. Jack Cabaret, who spent the past three weeks vacationing at Saskatchewan, Canada are visiting at the home of Mr. and Mrs. Jules Cafmeyer, enroute to their home in Milwaukee.

Mr. and Mrs. Elfridge New-

house of Flat Rock, Joseph Clabots of Osier, and Blanche Newhouse of Escanaba were evening dinner guests of Mr. and Mrs. Leonard Arbour on Labor Day.

Mr. and Mrs. Mose Beaudry, Al and Roy, spent Saturday in Manistique visiting relatives. Mr. and Mrs. Everett Briggs and children, Janice, Everett Jr., and Roger of Milwaukee were week end guests at the home of the former's sister and brother-in-law, Mr. and Mrs. George Vandebussche.

Mr. and Mrs. Mose Beaudry and son Roy returned to their home in Milwaukee after spending the weekend with friends and relatives.

They were accompanied home by their son, Al, who spent the summer vacation with friends here. Although only 40 miles in length, the Panama Canal shortens the sea route from Great Britain to the Far East by 13,000 miles.

## DEATH CLAIMS OLD RESIDENT

Joseph. MacGillis Dies At  
Oak Park; Home Was  
In Escanaba

Joseph MacGillis, a long-time resident of Escanaba and prominent in the community for many years, died Wednesday night in Oak Park, Ill., where he had lived with his daughter and son-in-law, Dr. and Mrs. John Keane, for the past 10 years. He was about 80 years old.

Mr. MacGillis was a building contractor and was active in community affairs. He was a member of St. Patrick's parish.

The body will be brought to Escanaba this morning and will be taken to the Degnan funeral home. Services are tentatively set for Saturday morning at St. Patrick's church.

Surviving are the following sons and daughters:

Mrs. John Keane of Chicago; Miss Frances of Chicago; Crescent, James, Alexander, Hugh and John of Milwaukee; and Cyril of Chicago. Twenty-one grandchildren also survive.

## Rapid River

Mr. and Mrs. Myron Whaple and Mrs. Margaret Whaple left Wednesday by motor for Sault Ste. Marie for a weekend visit with relatives.

Mr. and Mrs. Ed Coyle of Calu-

## Arnold

Arnold, Mich.—Mr. and Mrs. Virgil Aderman daughter Shirley and Ed Aderman of Niagara, Wis. visited over the week end at the home of Mr. and Mrs. Jim Phillips.

Mr. and Mrs. Chris Jensen daughter Eileen son Chris Jr., grandson Dale and Jimmy Hurkmans arrived home Friday evening from their vacation trip to Toledo, Ohio. They stopped and visited friends along their route through Lower Michigan.

All of Mr. and Mrs. Jensen's family met at Toledo. Mr. and Mrs. Al Usher and two daughters live there. Mr. and Mrs. Russell Jensen and two daughters of Escanaba were there. M/Sgt. Donald Jensen, wife and son of Chanute Field, Ill. One daughter was missing Mrs. James Hurkmans.

Mrs. James Hurkmans arrived home from Rochester, Minn. Sunday evening. She is convalescing at her home.

Mr. and Mrs. Jim Phillips and son left Tuesday Aug. 26 for Buffalo, Ind. to visit Mrs. Phillips parents. They arrived home Saturday night. Mrs. Phillips parents drove them home. They came back by way of Lower Michigan and had a nice trip. Mr. and Mrs. Payne left again for their home Sunday.

Mrs. Lester Pomeroy came home on Sunday evening after visiting in Escanaba at the home of her son-in-law and daughter Mr. and Mrs. Ruener Norman.

Mr. and Mrs. Norman are the met City, Ind., are visiting old friends in town. Mrs. Coyle is the former Lucy Shampo.

## Today's Recipes

A recipe for Susie's dill pickles, received from Mrs. Alex Sly, is reprinted this morning:

### Dill Pickles

First make a brine of one pound of coarse kosher salt, ten quarts of cold water, a quarter cup of brown sugar, three bay leaves, six whole cloves, an ounce of pickle spice, and two cloves of fresh peeled garlic, each clove cut in three pieces. Mix all this in a preserving kettle or other big con-

tainer and let it stand a while to thoroughly dissolve and blend.

For the pickles themselves, you'll need a five-gallon earthenware crock. On the bottom of the crock, lay a couple of stalks of fresh dill plant. Get about a pound. Over the dill stalks or sprigs, lay a couple of slices of stale rye bread. Then start filling the crock with washed, whole, unpeeled cucumbers, small to medium-sized, shoving in more dill sprigs as you work toward the top. Fill the crock almost full.

Now pour on the brine to cover the cucumbers. Lay on a thick layer of grape leaves—wild or

cultivated, whichever you can get. On top of these put a plate, weighted down with a clean brick or piece of stone. Let the crock stand three weeks to cure, skimming occasionally and adding covering brine if necessary.

Now your dills are ready—real kosher and delicious. Leave 'em in the crock if you've got a cool place to keep it—about 60. Cover the crock with cheesecloth and dip in as you will.

John Boyd Dunlop, a veterinarian residing in Belfast, Ireland, invented the pneumatic automobile tire in 1888.

## Grand Marais

Grand Marais, Mich.—There was a happy reunion at the home of Joseph Des Jardin when Mrs. Roland Edmonstone of Owen Sound, Ont., Canada visited her brother Joseph whom she had not seen in 43 years.

Mrs. Edmonstone has lived in Owen Sound since her childhood and Mr. Des Jardin left Owen Sound as a young man, coming to

the United States, working here and becoming a citizen. He has lived in Michigan about 40 years. Mr. and Mrs. Edmonstone drove from Owen Sound to Grand Marais with her daughter's family, Mr. and Mrs. Arnold McKay and son Gerald, of Toronto, Canada, and called on her brother in a surprise visit. The group also visited relatives in Pickford, Mich.

## Junior Baseball

The Junior Baseball Team journeyed to Newberry Sunday where they defeated the Powerhouse team 8-4. Making the trip were Douglas Kane, Beverly Bugg, Guy Block, Eddie Pugh, William Bailey, William McDonald, Kenneth McDonald, Bobbie Erickson, Vernon Olli and David Touzel. They were accompanied by Ora Endress Sr., Vilho Olli, Bruce Erickson, Jack Pugh, Bill Peterson and Steven Block. This was their second victory over the Powerhouse team, defeating them previously by a score of 22-8.

Mrs. R. L. White of Detroit visited Mr. and Mrs. Douglas Mulligan this week. Judy Mulligan returned from Detroit with her.

Mr. and Mrs. George Butler and Mr. and Mrs. Keith Butler of Marquette are spending 10 days at the Butler cabin.

Mr. and Mrs. Sharp of Marquette, parents of Mrs. Hampton, were weekend visitors here at the Hampton home.

162Berube-Schroeder  
Wed In Ceremony  
Held Saturday

Munising—Miss Evelyn Berube, daughter of Mr. and Mrs. Chris Anderson, East Munising, became the bride of Marshall Schroeder, son of Mr. and Mrs. Joseph Schroeder, 114 Jewel street in a wedding ceremony performed at the Sacred Heart church Saturday morning at 9 o'clock.

The couple spoke their vows before the Rev. Fr. Mark and had as their attendants, Mr. and Mrs. Gilbert Dugas.

For her wedding, the bride wore a beige gabardine suit with pink and brown accessories and a corsage of pink roses and white baby chrysanthemums. Her attendant was attired in a brown gabardine suit with brown accessories, and wore a similar corsage.

A wedding breakfast for 20 guests was held at the Sylvan Inn following the ceremony and a reception was held at the Schroeder home during the afternoon.

Mr. and Mrs. Schroeder left Saturday evening for Laingsburg, Mich., where they will make their

home. Mr. Schroeder has accepted a position on the faculty of the Laingsburg school system.

Both Mr. and Mrs. Schroeder are graduates of the Mather high school. Mrs. Schroeder was formerly employed with the Alger county road commission and Mr. Schroeder, who is a graduate of the Northern Michigan College of Education, was employed in the Alger county draft office and the county welfare department before accepting the teaching position at Laingsburg.

## C. GUSTAFSON

Munising—Funeral services for Carl Robert Gustafson, Limestone resident, age 65, who committed suicide Sunday, will be held in the funeral home chapel today at 2 p. m.

The Rev. H. A. Larson, Eden Lutheran church minister, will officiate and burial will be made in the Maple Grove cemetery.

## CORRECTION

Munising—George Seaberg, not Kenneth LeVeque as reported in yesterday's Press, was given a summons for not having an operator's license on his person following an auto collision in which the two men were involved Sunday.

Seaberg appeared before Justice of the Peace John A. Vizona yesterday, pled guilty to the charge and was fined \$2 and court costs of \$3.35.

Man Jailed For  
Being Disorderly

Munising—Gerald McGowan was given a jail sentence of 15 days yesterday on a charge of being disorderly here.

Judge John A. Vizona, who arraigned McGowan, said an alternate penalty of a fine of \$10 and court costs of \$4.75 was presented to the accused but he chose to go to jail.

Medical Test Proved This  
Great to Relieve MONTHLY  
FEMALE  
PAINS

Are you troubled by distress of female functional monthly disturbances? Does this make you suffer from pain, feel so nervous, restless, weak—at such times? Then try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms! In a recent medical test Pinkham's Compound proved remarkably helpful to women troubled this way. It's what Doctors call a uterine sedative. It has a great soothing effect on one of woman's most important organs. Taken regularly—Pinkham's Compound helps build up resistance to such distress. Also a great stomachic tonic! LYDIA E. PINKHAM'S VEGETABLE COMPOUND

Family Of Eight  
Forced To Move,  
Can't Find Home

Munising—A Munising family of six children and their mother and father will be forced out into the street Monday when eviction proceedings take place, George Goss, Red Cross chairman here, said yesterday.

Forced to move out because the landlord desires to make an addition to their dwelling and also to decorate the building, the family has been seeking new quarters for the past month. An appeal to the local Red Cross, which immediately began a search for a home for the family, hasn't brought them any luck.

Because of the fruitless search of the Red Cross to date, George Goss, chapter chairman, yesterday appealed to the public asking that anyone who might have, or know of, a home for this family, contact him immediately by phoning 91 or 314 M.

## MUNISING BRIEFS

Miss Harriet Chudacoff returned Tuesday from the Fresh Air Camp at Brighton, Mich., where she had been a counselor during the summer months.

Mrs. Alger Florence has returned to Flint after spending two weeks here visiting Mr. and Mrs. Harley Hill.

The Rev. Einar Soderberg and Wayne Erickson returned yesterday from Ohio where they had attended a Bible conference the past week.

Miss Dorothy Sekolich left Wednesday for a week's visit in Milwaukee.

## Isabella

Isabella, Mich.—Mrs. Harvey Sundin was pleasantly surprised Sunday evening when a group of friends came to celebrate her birthday anniversary.

The evening was spent playing games after which a lunch was served. The center table decoration was a three-tier birthday cake trimmed in pink and white.

Mrs. Sundin received a purse of money. Out-of-town guests were Mr. and Mrs. Arthur Ballstrand, Chicago; Mr. and Mrs. Paul Baumer Iron River; Miss Carol Erickson, Green Bay and Miss Berniece Finn, Escanaba.

Mrs. and Mrs. John Moberg returned to their cabin at Detour Monday evening following the holiday weekend at their parental home.

Mr. and Mrs. Francis Fisher of Ebin, Minn., were visitors at the John Wester home enroute to Virginia and then into North Dakota.

Mr. and Mrs. Paul Baumer, sons Gary, Dale, daughter Pauline spent the holiday week end at the Karen Freytag home.

Mrs. Norman Morrison left for Milwaukee Sunday to visit her sister and brother-in-law Mr. and Mrs. George Zernelt.

GLADSTONE

PHONE 8741  
Rialto Bldg.Alice Sebeck and  
Earl Bunno Speak  
Wedding Vows Sat'y

All Saints Catholic church was the scene of a beautiful wedding on Saturday morning, August 30, when Miss Alice Pauline Sebeck, daughter of Mrs. Anna Sebeck, 1310 Michigan avenue, and Earl Bunno, son of Mr. and Mrs. D. J. Bunno, 421 Michigan avenue, spoke their nuptial vows. The double ring ceremony was performed at 9 o'clock by the Rev. Fr. Matt LaViolette, pastor.

Cut flowers in pastel shades decorated the altar, and the Mass of the Blessed Sacrament was sung by the members of All Saints choir. Gounod's "Ave Maria" was sung at the offertory by Miss Pat Bolger, and during communion, she sang, "On This Day Oh Beautiful Mother." The traditional wedding marches were played by Mrs. C. A. LaFave, organist.

The bride was escorted up the white carpeted aisle to the altar by her brother, Fred Sebeck, who gave her in marriage, and were met at the altar by the groom and his attendants, who entered from the sacristy.

The bride's gown was of white slipper satin with lace inserts and the sleeves came to points over the wrist. The skirt extended into a long train. Her shoulder length veil was edged in Chantilly lace and was held in place by a coronet of seed pearls. She carried an arm bouquet of American beauty roses and white gladiolus.

She wore as her only jewelry, pearl earrings and necklace, a gift of the groom.

Mrs. Fred Sebeck, sister-in-law of the bride, was matron of honor. She wore an aqua floor length gown with a silk jersey bodice and a matching shoulder length veil held in place by a coronet of roses.

Yellow gladiolus and pink roses formed her arm bouquet.

Miss Madeline Lessard, niece of the bride, was bridesmaid. She chose a blue net floor length gown with a taffeta bodice and a matching shoulder length veil held in place by a wreath of roses.

Pink roses and pink gladiolus formed her arm bouquet.

Norine Sebeck, niece of the bride, was the flower girl, and her attire was identical to that of the bride. She carried a small colonial type bouquet similar to that of the bride.

The ringbearer was Gerald Hanson, nephew of the bride, who carried the rings on a heart-shaped white satin pillow.

The groom had as his attendants, his brothers, Vernon and Gerald, who were best man and groomsmen, respectively.

The bride's mother wore navy blue print with black accessories complemented by a shoulder corsage of orchid gladiolus and carnations, and the groom's mother

chose navy blue with white accessories. Her shoulder corsage was of salmon colored gladiolus with American beauty roses.

A wedding dinner, with covers laid for thirty guests, was served at 1 o'clock in the Rainbow room of Bell's Coffee Shop, Escanaba. A reception for over 150 friends and relatives was held during the afternoon at the Legion hall. The three tiered wedding cake topped by the traditional bride and groom centered the serving table which was beautifully decorated with garden flowers and lighted tapers.

For their wedding trip to an undisclosed destination, the bride chose a gray suit with red accessories.

Both the bride and groom attended Gladstone high school. The bride is employed at the Gladstone Bakery and the groom by the Soo Line R. R. They will make their home in Gladstone.

Out-of-town guests were: Mr. and Mrs. Omer Groleau, St. Jacques, Mrs. Emma Groleau, Rapid River, Ovila Groleau, Nahma, Mr. and Mrs. George Belongie, Albert King, Mrs. Louise LaLande and Mr. and Mrs. C. Morand, Perkins.

## Obituary

## ALBERT CASWELL

Funeral services for Albert Caswell, 58, retired Rapid River restaurateur and hotel operator, were conducted yesterday afternoon at the Congregational church in Rapid River, the Rev. Serge Hummon officiating.

During the service "O Love That Wilt Not Let Me Go" was sung by Mrs. Hummon with Mrs. Jay at the organ.

Serving as pallbearers were Glenn, Leslie, Jack and Albert Caswell, Paul Thurston and William Matthews.

Burial was made in the Rapid River cemetery.

Attending the rites from out of town were Mr. and Mrs. John Caswell and son, Jackie, of Brampton; Mr. and Mrs. William Matthews and William and Richard of Rumely, Mich.; Robert Burrows of Cheboygan, Mich.; Mr. and Mrs. Roy Thurston and sons, George and Paul, of Gwin; William Lawer and Mrs. John Niemi of Ishpeming; Mrs. Vernon Johnson and Mr. and Mrs. Albert Cas-

ENROLLMENT IN  
SCHOOLS RISES

Increase Of 32 Pupils  
Recorded Here In  
Grades

Enrollment in the Gladstone public schools on the second day of school totaled 853, or some 31 more than the figure for the same day in 1946. It was learned from the office of Supt. Wallace Cameron yesterday.

The increase is in the grades which have 436 pupils in comparison with 404 last year. In the high schools, junior and senior, the attendance is 417 or one less than a year ago.

The figures will probably be boosted somewhat as vacation stragglers return during the next two weeks. This has been the experience in other years.

Lower grades, particularly the kindergarten and first grade, are overloaded.

Enrollment by grades follows: Kindergarten, 83; First, 89; Second, 65; Third, 43; Fourth, 46; Fifth, 53; Sixth, 52; Seventh, 51; Eighth, 48; Ninth, 98; Tenth, 84; Eleventh, 73; and Twelfth, 63.

One of the first direct mail services in America was established between Worcester, Mass., and Hartford, Conn., Jan. 23, 1846, when Ginev Tyndall road the 60 miles through deep snow in two hours and 20 minutes.

A household refrigerator using calcium chloride, ammonia and heating gas was developed in Germany and is reported to be relatively inexpensive and satisfactory.

High blood pressure is the leading cause of death and four times as deadly as cancer.

well of Brampton; Arnold Burrows of Grayling; Mr. and Mrs. Courtney Thurston of Bay View and Mrs. Herbert Tumath, Mrs. William Peterson and Mrs. Robert Burns of Gladstone.

The Kelley Funeral home was in charge.

PHONE 3741  
Rialto Bldg.Silver Wedding  
Anniversary Is  
Noted By Larsons

Baskets of gladiolus and vases of fall flowers decorated the Reuben Larson home on Oak street on Tuesday for the celebration of the silver wedding anniversary of Mr. and Mrs. John Larson, Garden avenue.

Mrs. Harry Ahlstrom played the traditional wedding march as Mr. and Mrs. Larson entered the living room where they were pleasantly surprised by the presence of about 30 relatives who had gathered to honor them. Also in the procession were their five children: Charles, Paul, Elaine, Donald and Robert.

At 6:45 a delicious dinner was served from a decorated table, the centerpiece being of silver ornaments reflected on a large mirror, which was balanced with silver candlesticks and lighted tapers. Two large wedding cakes placed at either end of the table completed the arrangements.

During the evening Rev. G. A. Herbert gave an informal talk at which he presented the couple with a chest of silverware, the gift from the families represented there. Other gifts, cards, and well wishes were received. A social hour including group singing was enjoyed after which refreshments were served.

Mrs. Hanna Jansen and Reuben Larson, who were attendants of Mr. and Mrs. Larson at their wedding, were present. This date was also the birthday of Reuben Larson. Out-of-town guests were Bernice, Carl and Earl Danielson of Zeeland.

Thompson Pair Fined,  
Jailed For 'Spotlighting'

Jail sentences, in addition to the customary fines and costs, were imposed upon John Paul Olson and Harvey Pierce of Thompson, when they pleaded guilty in justice court Wednesday morning to a charge of "spotlighting" deer.

Olson and Pierce were apprehended about 2:30 Wednesday morning in Thompson township by Conservation Officer Tom Melton and a member of the local state police force who were on patrol in that area. The officers stated that they heard four rifle shots and, after some investigation, learned that they came from

Thompson. Later they spotted a car throwing beams along the fields from a spotlight. The officers went in pursuit of the car and apprehended the pair. After the arrest the officers retrieved a loaded .303 calibre rifle and a large highpower spotlight along the highway where the pursuit took place.

Brought before Justice of the Peace W. G. Stephens, the arrested men pleaded guilty to the charge of "making use of an artificial light, attempting to hunt, capture, pursue and kill deer." The judge then pronounced sentence, imposing on each a fine of \$50, costs of \$8.50 and five days in jail. It was also stipulated that the two are to remain in jail for a period not longer than 60 days or until the fines are paid. A gun, confiscated when the pair were arrested, will be returned to them when the fines are paid. In addition to this, licenses to hunt will be suspended for the 1947 and 1948 seasons.

The men began serving their sentences immediately.

## City Briefs

The Rev. and Mrs. P. L. Lomas of Willis, Mich., are guests here of Mr. and Mrs. John I. Bellaire, Garden avenue. Rev. Lomas is a former pastor of the First Methodist church here.

Miss Carol LaVigne of Sarasota, Fla., is visiting here with her parents, Mr. and Mrs. A. L. LaVigne. Mr. and Mrs. Joseph Giovannini and daughter, Geri, have returned here after spending the weekend in Iron Mountain and Channing with relatives. They were accompanied home by their two daughters, Mary Ella and Dorothy, who have been visiting in Channing with their grandmother, Mrs. Ella MacDonald.

Mr. and Mrs. J. N. Buckley and son, Michael, of Jackson, visited here over the weekend with the former's parents, Mr. and Mrs. J. M. Buckley, 334 Chippewa avenue. Mr. and Mrs. Leonard Saso of Detroit returned to their home on Monday after visiting here for several days with Mr. and Mrs. John M. Hewitt.

Mrs. John Berry and son, Joseph, have returned to their home in Detroit after spending a month here with Mrs. Mary Holmberg.

Mr. and Mrs. Theodore Cousineau have returned to their home here after spending two months visiting with their son, Ronald, in Dayton, Ohio, and with Mr. and Mrs. Gerald Larson and Mr. and Mrs. Arnold Cousineau in Eugene, Ore. They traveled through several of the western states.

Mrs. William Nelson of Bay City spent the weekend visiting here with Mr. and Mrs. Robert Hewitt and Mr. and Mrs. John M. Hewitt.

Miss Esther MacPhee has returned to Jackson after spending the weekend here with her parents, Rev. and Mrs. D. A. MacPhee, North Second street.

Mr. and Mrs. Raymond Holmberg have named their infant daughter, Kathryn Marie. The baby was born August 25 at the Shaw hospital.

Mr. and Mrs. William Beeby and daughters, Marjorie and Marian, of Negaunee, spent the weekend visiting here with Mr. and Mrs. A. L. LaVigne.

John Viergiever left Monday for Chicago where he is employed after spending two weeks here with his family.

Mrs. Dorothea Garber of Escanaba was a weekend guest here of Mr. and Mrs. John Vaughan.

FAVOR USE OF  
QUARRY POOLLions Club Gets Behind  
Move To Improve Local  
Swimming Facilities

The Manistique Lions club, at its regular meeting Tuesday evening, voiced its unqualified approval of a proposal to have the city utilize the quarry pool for swimming purposes and the use of the adjoining land as a recreational park.

Long an advocate for civic improvement, this organization is now solidly behind this project and voted at a meeting to present a resolution to the city council at its next meeting to take the necessary preliminary action in putting it to use.

Richard Wille, of the Inland Lime and Stone company, who has made a study of the pool's possibilities, spoke at the club meeting stating that it could be made into one of the finest swimming pools in the country with little effort. Volunteer labor and donated use of necessary pumps, bulldozers and other machinery would achieve the objective with a minimum of time and expense, he said.

He suggested that the pool be drained to a level much lower than the present one so that a preliminary survey of the pool could be made in order to ascertain what can and should be done to put it to the most advantageous use. Sand to secure good footing and safe levels, could be obtained from the sand dunes within a stone's throw from the place.

One of the chief advantages of the pool, he said, was the abundant supply of pure and sparkling water and adequate drainage to keep the water always fresh.

## Briefly Told

**Public Party** — The Manistique American Legion Auxiliary Unit 83 will hold a public party at 8:30 Friday evening in the K. of C. hall for the benefit of their hospital fund.

**Golden Star Lodge** — Members of the Golden Star Lodge will meet this evening at the home of Mrs. Sherman Dewey. Mrs. Gust Anderson will be the assisting hostess.

**Legion Auxiliary** — A regular meeting of the Manistique Legion Auxiliary Unit 83 will be held this evening at Minor's Deepthroat lodge. Members are asked to meet at the Legion hall at 7:45. Hostesses are Mrs. Leoline Minor, Mrs. Clara Segerstrom, Mrs. Martha Malloch and Mrs. Audrey Malloch.

**Ida Chapter** — Ida Chapter, No. 54, OES, will hold a regular meeting at 8:15 Saturday evening in the Masonic hall.

**Women's Society** — A regular meeting of the Women's Missionary society of the Free Methodist church will be held this evening at 7:30 at the home of Mrs. Walter Burns, North Third street.

## Briefly Told

**Odd Corn Ear** — In the garden of Irving McKenzie, South Gladstone, was discovered an unusual ear of golden bantam corn. It was without husks and there were nine small misshapen embryo ears, some only a single row of kernels, sprouting from the base of the larger ear, which itself was odd in shape and dwarfed.

**Masonic Lodge** — A regular communication of Gladstone Lodge No. 396, F. & A. M., is to be held at 8 this evening at the lodge hall. All officers are urged to be present by Worshipful Master Harold Enders.

**GIA To Meet** — The GIA to the B of LE will have a social meeting Friday night at 8 o'clock at the home of Mrs. J. I. Chase on Superior avenue.

**ORC Auxiliary** — The Auxiliary to the Order of Railway Conductors will meet at 1:30 o'clock today at the Delor J. Bunne camp north of Rapid River. Mrs. Arthur Thivierge will be the hostess.

**Ladies' Aid** — The Ladies' Aid society of St. Martin's Lutheran church, Rapid River, will meet this afternoon at 2:30 o'clock at the church.

**Dorcas Society** — Mrs. Willard Norby will entertain the Dorcas society of the First Lutheran church tonight at 8 o'clock in the church parlors.

**Garden Blueberries** — In the garden of Rev. Theophil Hoffmann are a variety of edibles but most unusual at the present time are tame blueberry bushes which are producing the much desired but very scarce fruit. The plants are about 18 to 20 inches in height and are not full grown.

**Church Board** — The combined official board of the First Baptist church will meet tonight at 8 o'clock in the study of the pastor.

**Ladies' Aid** — The Ladies' Aid society of the Mission Covenant church will meet this afternoon at 2:30 o'clock at the church. Mrs. Earl Louis will be hostess. A program has been arranged for the occasion.

Miss Augustson  
Weds Jesse Smoot

At a ceremony which took place Saturday afternoon, August 30, at 4 o'clock at the Mission Covenant church, Genevieve Elizabeth Augustson, daughter of Mr. and Mrs. Olof Augustson, 519 Dakota avenue, city, became the bride of Jesse Smoot, of 603 South 10th street, Escanaba. Rev. C. V. S. Engstrom performed the double ring ceremony.

Large baskets of mixed gladiolus decorated the altars and the family pews were marked by corsages of gladiolus.

While the guests were assembling Mrs. Jeanette Heric sang "Because" and "O Promise Me" accompanied by Miss Betty Ann Bredahl, who also played the traditional wedding marches.

The bride attendants were Miss Dolores Augustson, sister of the bride, who was maid of honor and Miss Frances Jacobson, Norway, Mich., close friend of the bride, as bridesmaid. Pfc. Holger Ostlund, close friend of the couple, was best man and James Reed was groomsmen. Ushering were David Engstrom and Roger Anderson.

The bride, who was given in marriage by her father, was attired in a white satin gown, with long sleeves which came to a point at the wrist and the skirt had a full train. The fitted bodice had a sheer yoke with lace trim and a high neckline. Her finger tip veil was edged in lace and was attached to a crown of seed pearls. Her flowers were an adornment of red roses.

The maid of honor's gown was fashioned with an aqua lace top, sheer bottom, sweetheart neckline and three-quarter length sleeves. She wore white lace elbow length gloves, and a yellow net shoulder length veil with yellow flowers, and carried an arm bouquet of mixed gladiolus.

The bridesmaid's gown was made with a yellow lace top, V-neckline, three-quarter length sleeves and a sheer skirt. She wore white lace elbow length gloves, an aqua shoulder length veil with aqua flowers and carried a mixed bouquet of gladiolus.

For her daughter's wedding Mrs. Augustson was attired in a black and white figured jersey, with black accessories, complemented by a corsage of mixed flowers.

A supper and reception for about 100 guests was held in the church parlor immediately following the ceremony. A four-tiered wedding cake, topped with a dove and double rings, centered the table.

For their wedding trip to an undisclosed destination, the bride wore a black and white linen suit with white accessories. Upon their return they will make their home with the bride's parents for the present.

The bride is a graduate of Gladstone high school, class of 1945, and attended the Upper Peninsula Beauty school at Iron Mountain. She is employed at the Escanaba Beauty Shop. The groom served five years in the U. S. Army, with three and one-half years overseas in the European theater of war. He is employed with the Hudson Service Sales.

A message of congratulation from the bride's uncle and aunt in Sweden was read in church. The guest book was in charge of Joanne Swanson.

Out-of-town guests were: Mrs. Verna Gose, Knoxville, Tenn., sister of the groom, Nelson and Ivan Smoot, Kentucky, brothers of the groom, Mr. and Mrs. Glenn Clark and family, Flint, Mich., Mr. and Mrs. Ralph Peterson, Escanaba, Pfc. Holger Ostlund, San Francisco, Calif., Miss Frances Jacobson, James Reed, K. O. Swanson, Jo Kinkella, Mr. and Mrs. John Heric, Mrs. Anna Wohl, and Miss Dolores Augustson, Iron Mountain, Mich., Mr. and Mrs. Nels Pearson and Mrs. August Bjorkman, Rapid River, Miss Eleanor Stephen, Channing, Mich., and Mr. and Mrs. Axel Ostlund, Flat Rock, Mich.

Except for the statutory quota of English films, New Zealand shows Hollywood movies almost entirely.

## City Briefs

Mr. and Mrs. Alvin Anderson left yesterday for Milwaukee where they will make their home. Mr. Anderson is a student at the Wisconsin Institute of Mortuary Science.

Mr. and Mrs. James Findlay and daughter, Linda, who have been visiting the Milton Findlays for the past several weeks have returned to their home in Chicago where Mr. Findlay is an instructor in the engineering department of the University of Illinois.

Mr. and Mrs. Erick Boquist have returned to their home in Chicago following a Labor Day weekend visit here with the Milton Findlays.

Miss Katherine Olson, R. N.,

REV. JOHNSON  
ACCEPTS CALL

Will Serve Bethel Free  
Church of City  
As Pastor

The Rev. Roy G. Johnson of Minneapolis has accepted a call extended by Bethel Evangelical Free church to serve it as pastor. It is announced by Albert Mattson, treasurer of the church.

Rev. Johnson and family, better known as the Musical Johnsons, conducted services here several times in April so are no strangers to the local congregation.

Rev. Johnson formerly served a church at Sioux Falls, S. Dak., and the Free church at Albert City, Iowa. During the past three years he has conducted evangelistic youth for Christ and children's work throughout the nation from coast to coast.

The new pastor was graduated from Northwestern Bible school at Minneapolis in 1939 and ordained into the ministry at Beresford, South Dakota, in 1942.

Rev. and Mrs. Johnson and family will arrive here on Saturday. He will conduct his first service as pastor on Sunday.

The family will reside at 901 Minnesota avenue.

## Social

## Forthcoming Marriage

Invitations have been received in the city to the forthcoming marriage of Miss Marian Jean Moore, daughter of Mr. and Mrs. Lyle D. Moore, Pasadena, Calif., and Charles Sturz, which is to take place on Friday, September 5, at 8 p. m., in Memorial church, Stanford university, Calif.

The Moores are former residents of Gladstone. Mr. Moore was the local representative of the Metropolitan Insurance Agency before moving to Pasadena some 12 years ago.

In 1975 the U. S. postoffice had 75 postmasters and a yearly gross business of \$38,000 compared with 450,000 employees and a gross income of \$1,314,159,000 in 1945.

The 200-inch mirror for the Mount Palomar telescope, which has been more than 10 years in the making, is now being completed.

X-ray technician at Augustana hospital, Chicago, has arrived to spend a two-weeks vacation with her parents, Mr. and Mrs. Knute Olson, Superior avenue.

Mr. and Mrs. Keith Picard are the parents of a baby daughter, weighing seven pounds and 12 ounces, born Tuesday at St. Francis hospital. This is the first child in the family. Mrs. Picard is the former Mary Alice Erickson of Gladstone.

Walter Erickson is spending ten days visiting in Milwaukee and Chicago.

Mrs. Frank Royer, Rudyard, is visiting at the Albert LeGault and Fred LeGault homes.

Mrs. Harold Firkus and children, Nazianz, Wis., is visiting with her parents, Mr. and Mrs. John Kennedy. Mrs. Firkus is the former Theresa Kennedy.

Miss Louise DeMay returned Monday to Lansing, Mich., where she is employed by the State Highway Department, after spending the Labor Day weekend with

her parents, Mr. and Mrs. Felix DeMay.

Mr. and Mrs. Elmer Garon, Gladstone, and Mrs. and Mrs. Robert Vanatta, Wheseka, Ill., have gone to the Copper Country for a few days' visit.

Miss Marilyn Bergman, daughter of Mr. and Mrs. Harold E. Bergman, is leaving Friday for Rock Island, Ill., where she will enter Augustana college.

Theodore Feldt sr. and son, Ted jr., returned to their home in Painted Post, N. Y., on Sunday after visiting for the past two weeks with his parents, Mr. and Mrs. August Feldt, who accompanied him on his return to spend two weeks visiting in the east with relatives.

Mrs. Abigail Lachine is confined to the home of her daughter, Mrs. Mabel Gish, 916 Minneapolis avenue, by illness.

Mr. and Mrs. Carl Holm returned yesterday to Duluth, Minn., after a week's visit with Mr. and Mrs. John Holm.

## THANK YOU!

We wish to thank the residents of Gladstone and vicinity for the fine patronage extended the Smith Grocery during our ownership and management the past several years.

Memory of the associations made while in business here will always be most pleasant.

The store has been sold to Earl Smith and Sons who will operate under the same firm name as in the past.

May we urge your continued patronage with the new owners.

Signed:

Mr. and Mrs. Gordon Smith

# 100 Eskymo Gridders Prepare For Gruelling Eight-Game Slate

## Manistique, Negaunee Play First Rainbow Title Playoff Sunday

### Only 7 Of 26 Lettermen Back From 1946 Squad; Seek Line Replacements

Faced with the loss by graduation of seven veteran linemen and two speedy starting backs, the Escanaba high school Eskymos are going "all out" in practice sessions these autumn days in an effort to fill the gaps and build a potent gridiron machine for a gruelling eight-game schedule that includes the top talent of Upper Peninsula high school football.

Missing from the Eskymo ranks this season are such line stalwarts as Wendell Buckland, center; Bill Turner and Don Bichler, guards; Ray Schmelter and Gordon Schills, tackles; David Freits and Paul Gomerac, ends, and Jack Peterson, speedy tail back, and young Bill Smith, who came up fast last season to win a regular backfield berth.

Four of these aces played in the Upper Peninsula all-star game at Negaunee last month, namely Bichler, the Idaho high jumper, Freits, Peterson and Smith.

In all, only seven of 26 lettermen of last year's squad are back this season, 10 others in addition to the above-mentioned nine regulars having gathered in their high school diplomas and begun the quest for higher education or bread and butter.

To replace this tremendous loss Coach George Ruwisch and his assistants, Dick Schram, Jim Rouman and Steve Baltic are banking on the experience of seven capable letterman, several promising reserves, plus the gratifying response of a large crew of hopefuls.

When the pre-school call for gridiron talent was sounded, 57 turned out for two-daily practices. With the opening of school this week, approximately 100 eager athletes are on hand to bolster the Eskymo gridiron cause.

Forty candidates are on the varsity squad and the remainder are working on the reserve squad under the tutelage of Coach Rouman and Baltic. About 50 of the reserves are sophomores and 10 are juniors.

Seven lettermen back in uniform are Warren "Moose" Gustafson, fullback; Ronald "Big Mouth" Johnson, quarterback; Ted Gardner, a starter much of the time last season, and Dave Welch, tackle; Herb Nicholson, who has been switched to end from the backfield; Bob Judson, who won a letter last year at guard but has been understudying Gustafson at fullback in workouts to date, and Ernie Belanger, a speedy back.

Gustafson and Judson are rugged boys who tip the scales at 185-plus, and Johnson and Belanger are capable backs who were regulars last season. Belanger was a starter until benched by injuries, when he was replaced by Bill Smith.

With few exceptions, competition is keen for all positions, particularly at guard and end. Nicholson appears set at end, end, but Gary Abrahamson, Jim Holt, Dave Gardner and Bill Elliott are waging a merry battle for the other end position.

Prospective center candidates are Bob Anderson, Steve Beggs and Matt Smith, and the fight for regular guard posts is a wide open affair, with Dick Barron, Dick Johnson, Don Christensen, Gilbert Kangas, Dave Johnson, Wayne Peterson and Dean Shipman showing promise.

In addition to Ted Gardner and Dave Welch, other tackle hopefuls are Jim Erickson, Bob Kennaally and Tom Rice.

Howard Dufour is alternating with Johnson at quarterback, and Howard Peterson, Gilbert Prevost, John Beaumier and Gust Anderson are getting considerable attention, along with Belanger, at halfback. Bob Carter is working out at fullback.

The Eskymos again will employ the single wing back formation, Coach Ruwisch said yesterday.

Open Against Soo  
"It is much too early to make any predictions," the Eskymo mentor said yesterday. "It is not easy to lose 19 lettermen, including nine who were regulars most of the season."

"But I will say this. We are greatly pleased at the splendid turnout of 100 candidates this week, and the spirit of the squad is excellent."

"It boils down simply to this. We've got a lot of gaps to fill and we have a lot of hard work ahead of us."

The Eskymos open against the Sault Ste. Marie Blue Devils on the latter's gridiron next week.

City Cadet, Midget  
Title Softball Tilt  
Today, Tomorrow  
Coyne's Garage and Peninsula Home Service softball teams will battle for the championship of the Escanaba midget league at Memorial Field at 6 this evening.

"It Seems To Me"

BY JIM WARD

Labor Day Weekend Cleanup: Escanaba scrappers took it on the chin in the Norway fight card... Jim Froberg lost by technical kayo to Vern Dionne, Marinette... Orval Van Effen lost the same way to George Izzo, Iron Mountain... And John Stropich and John Barr, the latter from Bark River, were outpointed, respectively, by Gene Farrington and Bob Lambert, both of Kingsford.

Lloyd LeVasseur, Marquette county clerk, showed the Badgers up by cracking 100 straight to win the U. P.-Wisconsin all-gauge skeet title in Waukesha, Wis., Sunday, the first time a perfect score has ever been posted in the Badger championship... He had a run of 128 straight, also a new record... Fred Goldenstedt, Marquette, 1946 U. P. small bore champion, hit 96.

Several local golf club championships were decided Labor Day... Keith LeClair beat Bill Farm in the Wawonowin finals at Ishpeming... Burleigh Jacobs, a former Wisconsin state titleholder, beat Tom Renn with par 72 for the Iron Mountain title... Bill Connors won the Marquette title, beating Harvey Hitchcock in the finals... Frank Hruska beat Hugh Higley for the Menominee Riverside championship... Dr. J. C. Gorrill retained his Gogebie Country club title, beating Bob Holmberg... And Harry Korbuly is the new Menominee North Shore champion... Harold DeGayer fought him to the 20th hole.

You can look for new fire any day now in the Cloverland Baseball league second-half championship dispute... A report of alleged underhanded work in the Powers-Stephenson protested game of Aug. 24 which went to Stephenson, thus vaulting it into the second-half title ahead of Menominee, has come to the attention of Commissioner Leo J. Brunelle... Currently, Stephenson is slated to play Menominee in Menominee next Sunday in a single-game playoff for the Cloverland title... But the storm is brewing!

In case it missed your attention over a busy Labor Day, Jitterbug Johnny Palmer won the western open golf title at Salt Lake City, staging a spectacular rally to nip Bobby Locke and Ed Oliver by one stroke... And with Jack Kramer and Ted Schroeder winning their second singles matches, the U. S. topped the Aussies for the Davis Cup.

### Junior Archery Meet At Ludington Saturday

The second and last Escanaba junior archery tournament of the summer will be held at Ludington park at 2 Sunday afternoon, it was announced yesterday by Mary Doris Costley, playground director and archery instructor, who will conduct the event.

Entrants will shoot the American round of 30, 40 and 50 yards. Age limits will be eight to 16, and attractive prizes will be awarded to winners in each age group.

Archery has been one of the most popular sports at the Ludington park playground during the summer, and many neophytes became devotees of the sport.

An archery tournament for senior contestants will be held in the near future.

Gould City Takes Opener In Central Series With Rexton

Rexton, Sept. 3—In a thrilling 13-inning battle here, Gould City defeated Rexton, 1-0, in the first game of a best-two-of-three series for the Central league championship. John Barber doubled to open the last frame and was driven in by Wayne Engel for the game's only score.

Rexton threatened in the last of the 13th by leading the bases, but with two out, Hurler Bravley ended the fray by striking out the last batter. Salter backed him up. The battery for Rexton was Pagan and Alexander.

The second game will be played at Gould City Sunday, Sept. 7.

Cardinals Subdue Cubs With 15-Hit Barrage, 11 to 1

Chicago, Sept. 3 (AP)—The St. Louis Cardinals launched a 15-hit attack, including a pinch hit homer by Ron Northey with the bases loaded, to subdue the Chicago Cubs, 11 to 1, today, cutting Brooklyn's National league lead to six games. It was their fifth straight win.

Milwaukee Negro Upsets Lamotta In 10-Round Bout

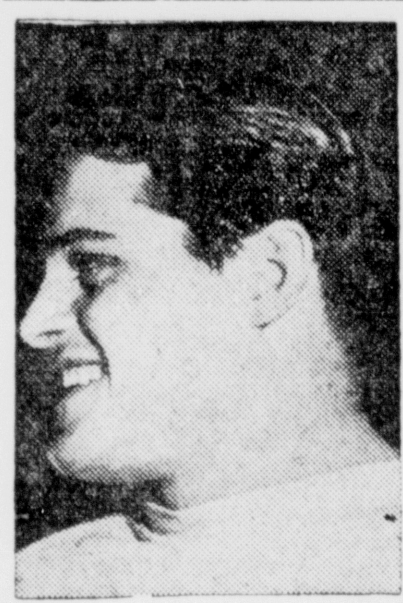

Chicago, Sept. 3 (AP)—Cecil Hudson, Milwaukee Negro, scored a rousing upset decision over Jake Lamotta, New York's top-ranking middleweight, in a 10-rounder before 6,501 at a Diamond Runyan-canned fund show in Comiskey Park tonight. Hudson weighed 155, Lamotta 165.

It was the third fight in 10 months for Lamotta, who showed only flashes of his old-time form and was out-boxed from start to finish by Hudson.

Despite his 10-pound pull in the weights, Lamotta staggered Hudson only twice and was badly tired at the finish. Referee Tommy Gilmore voted for Lamotta, 35 to 45, but the two judges gave the nod to Hudson.

Lamotta, who has been clamoring for a shot at middleweight champion Rocky Graziano, seemed unable to solve Hudson's rapier left lead, and his famed body-attack had little effect on the fast-moving Cecil.

Lamotta's big round was the

NEW COACH—Michigan State College's boxing team has a new coach. He is George Makris, a former National Collegiate light heavy-weight boxing champion from University of Wisconsin.

Makris' first assignment will be to prepare the Spartans for meeting University of Maryland's boxing team in the Sugar Bowl mid-winter sports association carnival Dec. 29 at New Orleans, La. He formerly was an assistant coach at Wisconsin.

### City Junior Touch Football Leagues Will Be Organized

An Escanaba junior touch football league will be organized by the city recreation department at a meeting in the recreation center at 4:30 next Wednesday afternoon.

Youngsters of the community are asked to start forming their teams without delay and elect a manager and a captain in preparation for the organization session.

Two leagues will be formed, one for "midgets", boys 12 years of age and under, and one for "cadets", boys 13 and 14 years old. Games will be played after school at Ludington and Royce parks and at the junior high school.

Awards will be presented to winning teams in each league. Two former Escanaba high school stars, Don Dufresne and Ed Gauthier, will assist in coaching the junior levants.

### SOFTBALL

TOURNAMENT UPSETS  
Two upsets marked opening games in the annual city softball tournament underway this week at Memorial Field.

Last night, Peoples Bar turned back Paper Mill, 14-12, with Derouin pitching and Manager "Iggy" Nelson, batting in the cleanup slot, ramming four for four. Van Effen caught. Eleegert, Eugene and Vanlerbergh shared mound duties for the Mills, with Shomin backing up the quartet.

Helen's and Buds upset Delta Transit, 5-4, in a game protested by the latter on the grounds that H&B used an ineligible player, namely Don Cousineau, claiming that he started the season with the Transits and never received a release. Cousineau, incidentally, pitched for H&B with Olson behind the plate, and Oseen and Beaudin performed for the Transits.

Tourney games tonight at Memorial: Flat Rock juniors vs. Farmers Supply, 7:15, and Escanaba township vs. VFW, 8:45.

Escanaba Taverns will practice at No. 4 diamond at 6:30 this evening. All players are asked to be there promptly.

### Bark River Winds Up Cloverland Schedule

Bark River, Sept. 3—Bark River closed its schedule in the Cloverland Baseball league with triumphs last Sunday over Daggett and Wilson and a 3-2 loss to Menominee on the latter's diamond Monday afternoon.

Coach Russ Simmons' Bark River nine played a rugged Labor Day weekend schedule, stopping Daggett, 5-4, here in a 2 p. m. game Sunday on nine hits and then trekking to Wilson to take Wilson, 7-1, before moving to Menominee for the Labor Day engagement with the first-half champions.

### MRS COLE IS GOLF CHAMPION

Miss Raymond Beaten, 3-1, In Escanaba Women's Finals

Mrs. Everett Cole, a comparatively new member of the Escanaba Golf club, won the women's championship of the club yesterday afternoon by defeating Miss Janet Raymond, 3 and 1, in the 18-hole finals. Miss Raymond also was runnerup last summer.

Mrs. Don Boyce won the championship consolation, defeating Mrs. Gerald Cleary in the finals.

The first flight title was captured by Mrs. Hilmer Johnson, who turned back Mrs. Emerson Harvey in the finals yesterday afternoon. The first flight consolation went to Mrs. Art Fillion, victor over Mrs. John Cameron.

Second flight honors were taken by Mrs. John Lemmer, who beat Mrs. Fred Schmitt in yesterday's finals, with the consolation in that flight going to Mrs. Hugh Kitchen, victor over Mrs. Robert O'Neill.

Mrs. Fred Earle defeated Mrs. George Lindenthal for the third flight championship, and the third flight consolation prize went to Mrs. Francis Boyce, who defeated Mrs. Andy Anderson.

Shortstop Billy Cox also contributed a homer in the sixth to drive over two more Buc runs.

Blackwell, who has lost only six games, struck out seven of the first 12 men to face him. He smashed out a two-run double in the second inning when the Reds scored five times and drove Kirby Higbe to the showers.

Cincinnati, 052 004 200—13 12 0  
Pittsburgh, 000 104 001—6 10 0

### RUSS JOHNSON ON CARD MOUND

South, North Winners Meet In Best-Of-Three Series

Manistique's Cardinals and the Negaunee Rovers, winners of the southern and northern divisions, respectively, of the Rainbow Baseball league, will play the first game of a best-two-of-three series for the league championship on the fairgrounds diamond in Manistique at 2:30 Sunday afternoon.

With either the Escanaba Bears or Munising Orioles having an outside mathematical chance of tying for the southern division title, Manistique clinched the South pennant last Sunday by defeating a strong Trenary nine, 10-8.

Paced by Vance Hiney's four-hit pitching performance, Negaunee won the North pennant Monday by blanking the Gwinn Legion nine, 6-0. The veteran Hiney struck out nine Gwinn batters, allowed no walks and helped matters along considerably by walling a brace of safeties, including one double.

No official announcement has been made regarding when the second championship playoff tilt between Manistique and Negaunee will be played.

Meanwhile, a booster sale of tickets for the clash in Manistique next Sunday is underway. A Manistique committee is making a thorough canvass of the city in an effort to attract a record-breaking crowd.

Russ Johnson, who has pitched the Cardinals to eight triumphs this season without a loss, will be on the Manistique mound.

tributed a homer in the sixth to drive over two more Buc runs.

Blackwell, who has lost only six games, struck out seven of the first 12 men to face him. He smashed out a two-run double in the second inning when the Reds scored five times and drove Kirby Higbe to the showers.

Cincinnati, 052 004 200—13 12 0  
Pittsburgh, 000 104 001—6 10 0  
Blackwell and Lamanno; Higbe, Lyons (2), Singleton (7), Sewell (8) and Howell.

### AMERICA MAY HAVE TO ACT IN EMERGENCY

(Continued from Page One)

do no good to provide help too late."

Senator Flanders (R-Vt.) said he would be "happy to come back," but, he said:

"No special session should be called until the state department has a clear program in mind."

Senator Revercomb (R-WVa.): "I do not know what new crisis exists in Europe that has not been existing for a year or more and I do not foresee at this time any reason for calling a special session of Congress."

Lovett indicated new proposals to help Europe might be temporary devices or permanent measures—presumably either some kind of interim financial assistance or a speedup in the whole timing of the Marshall plan for European recovery.

### Boy's Arm Torn Off; Veteran Is Credited With Saving His Life

St. Louis, Sept. 3 (AP)—Charles Horton Jr., 14, wanted to die yesterday when the arm he was holding outside a bus window was torn off by a passing streetcar, but he was in good spirits today when he received a visit from a young Navy veteran credited with saving his life.

Leo H. Berger, 20, pushed through a crowd surrounding the bus and found the boy bleeding profusely. As Berger fashioned a tourniquet from a handkerchief, Charles pleaded with him to "Please let me die."

"No, kid, you're going to be all right," Berger assured him. "You will never know the difference when you get well."

Berger held the tourniquet on the lad's arm for 20 minutes until both arrived at City hospital in an ambulance. "I learned a lot about amputees when I was in the Mare Island Naval hospital during the war and I knew just what to do," Berger said.

Young Horton, in "a serious but not critical condition," had changed his mind about dying when Berger kept a promise and visited him at the hospital today. "I'll remember you long after I get well," he told Berger.

### Plane And 3 Dead Found With Help Of Lone Survivor

Kenton, O., Sept. 3 (AP)—The wreckage of a private plane which disappeared Monday night on a flight from Cleveland to Dayton was found near here today, with three of the four occupants dead.

The lone survivor, Charles W. Gorman, a 21-year-old university of Arizona student, regained consciousness early this afternoon and walked and crawled to a farmhouse to get help.

The watch of one victim was stopped at 8:30, apparently on Monday night about the time a severe storm swept this area.

Gorman was brought to McKittick hospital here, from where he directed Sheriff Randall R. Clark to the wreckage—two miles off route 53, six miles northeast of here.

The sheriff found the bodies of two women—Mrs. Raymond C. Stotts, wife of the operator of the south Dayton airport, and Miss Mariel Talbot, 20, a Dayton junior leaguer—still strapped in the plane.

The body of the pilot, 22-year-old William Strop of Dayton, an Ohio State university student, lay about 15 feet from the demolished plane.

### Superforts Leave To Give Germans Mass Flight Show

Westover Field, Mass., Sept. 3 (AP)—A group of 30 Superforts—one short of the starting formation—took off today for Europe to give the Germans a look at a mass flight of the big bombers that helped crush Japan.

Flying singly from Fort Worth, Texas, the B-29s planned only brief stopovers for refueling for the hop to Goose Bay, Newfoundland, where they were to assemble for the Atlantic jump.

One of the big planes developed a gas leak in a transfer valve as it taxied out to the Westover flying strip, and was grounded.

### FARM INCOME GREATER THAN EVER BEFORE

(Continued from Page One)

earned for \$10,800,000,000 in farm income during the first eight months of 1947—an increase of 3 per cent over the 1946 period. The report said that wheat went into the market in "unprecedented volume" and at "unusually high prices."

One authority said that the export demand was the primary factor in keeping wheat prices at top levels this year.

He said European grain fields were wrecked by the war and Europe suffered from unfavorable growing conditions.

### Traffic At Straits Over The Holiday Sets High Record

Lansing, Sept. 3 (AP)—A 13 per cent increase in Labor Day weekend traffic at the Straits of Mackinac and varying increases in highway travel were reported by the state highway department today.

The department said 19,680 vehicles carried across the Straits in the four-day weekend broke the 1941 record of 17,135.

Trunkline traffic was 16.5 per cent higher in the thumb area, 15.5 per cent higher in the north and north central parts of the lower peninsula, from 1.9 to 8.6 per cent higher in southern counties, but fell off 13 per cent in the Marquette area.

### Bloodshed In India Continues; Gandhi's Fourth Day Of Fast

New Delhi, Sept. 3 (AP)—Muslims and Hindus persisted in killing each other today in scattered sections of Pakistan and India, but some improvement was noted in Calcutta, where Mohandas K. Gandhi ended his third day of fast in protest against the bloodletting. Gandhi's personal physician, D. K. Mehta, reported that the general condition of the wizened old battler for Indian independence was "definitely lower than yesterday." An earlier bulletin described his as "cheerful though weak."

### ATOMIC OVENS TO AID WORLD CANCER FIGHT

(Continued from Page One)

AEC said, are in studies of cancer, the blood, venereal and parasitical diseases, respiratory functions, insecticides, drugs, bone and teeth formation, botanical and agricultural experiments, and in general the secrets of life processes.

In all, 30 different isotopes of these 20 elements are offered. Isotopes of an element behave chemically like that element, but differ in weight. In radioactive form, they produce steady radiations and can be traced wherever they go.

All those now offered to foreign governments can be made in cyclotrons, and before the war some made in this way were sold abroad. But cyclotron production is terrifically expensive. The atomic ovens make them relatively cheaply and in large quantities.

They will be sold to foreigners at about the same price that American researchers pay. Foreign governments must make their requests through designated representatives in this country.

radio bliss triumphs, \$3.05 to \$3.25; Idaho-Oregon russet Burbanks, \$4.25 to \$4.30; Nebraska Red, Warba, \$3.25; cobbles, \$2.60; Washington long whites, \$3.55 to \$3.65; russet Burbanks, \$4.20 to \$4.35; Wisconsin cobbles, \$2.30.

### Eastern Allstars Swamped By Giants At New York, 21-0

BY SID FEDER

New York, Sept. 3 (AP)—The New York Giants humiliated the Eastern college football All-Stars 21 to 0 tonight in the Polo Grounds, as Army's terrific twins, Glenn Davis and Doc Blanchard, made their final farewell as a gridiron one-two punch without causing any sparks to fly.

This was the ninth final get-together of the Giants and the eastern All-Stars—and one of the dullest. The Giants rarely opened up any of the stuff they'll be serving up in the forthcoming National Professional League thumping, and actually, rarely had to. It was that one-sided, as they chalked up 16 first downs to seven and 123 yards rushing to a skimpy 58.

As a result, the greatest throng ever to see this Indian summer gridironing—a jam-packed throng of 52,102—turned out for the start of festivities, but half of them had left by the time the Giants put over their final touchdown, in the closing period. This was done on some extra-special passing by Frank Reagon, Pennsylvania's one-time ball-carrying ace, and Jerry Blumenstock, who used to bust lines for Fordham, as the Pros uncovered their fanciest stuff of the night.

### Cleveland Divides With Chicago, Wins Finale In 9th, 6-5

Cleveland, Sept. 3 (AP)—The Cleveland Indians staged a two-run, ninth-inning rally to cop the second game of a twilight-night doubleheader from the Chicago White Sox tonight 6-5 after the White Sox blasted the Tribe to an 8-3 loss in the opener.

George Metkovich, batting for Relief Hurler Ed Klieman, started the winning rally of the second game with a single and reached second on a sacrifice. Towering Righthander Bob Gillespie was then replaced by Thornton Lee, White Sox southpaw, and Hank Edwards greeted Lee with a triple to the center field fence to score the tying run. Hat Peck then singled Edwards home with the winning run.

Edwards' first-inning homer after Dale Mitchell's double gave the Tribe an early lead, but Chicago tied it at 2-2 in the fourth on singles by Jack Wallaesa, Floyd Baker and Mike Tresh and went ahead in the next frame when Rudy York poked his 19th homer of the season over the left field fence after Ralph Hodgins had been hit by a pitched ball.

Chicago ... 100 102 310—8 12 0  
Cleveland ... 020 000 100—3 6 0  
Grove and Dickey; Black, Stephens (7) and Lopez.  
Chicago ... 000 220 010—5 7 1  
Cleveland ... 200 010 012—6 13 0  
Gillespie; Lee (9) and Tresh; Kuzava, Klieman (6) and Hegana.

## Where but at the FAIR? ...

Such a wide selection of lovely gloves!
